

2020 Southeastern Swimming Coaches Committee Meeting Legislation Packet

Proposals in the “T” Block are to be considered for adoption by the Coaches Committee.

T- 1	ACTION:	Adopted	Defeated	Adopted/Amended	Tabled	Postponed	Withdrawn
<p><i>Submitted by Brian Haddad PCST</i> <i>Will be effective for the Summer 2021 Long Course Season</i></p> <p>T-1 Create Incentives and Format for More Long Course “Championship” Meets</p> <p>Proposal is to create a minimum format and financial incentives for more localized “Championship” type meets in the Long Course Season. Incentive shall be that the host club shall pay <u>no meet surcharges</u> to SES provided they meet all of the parameters of the established format and allowable dates.</p> <p><u>Minimum Standards for Incentives:</u></p> <ol style="list-style-type: none"> 1) Meet must be held in Long Course Meters format 2) Meet must provide at least the following events (meet can offer more if desired): <ul style="list-style-type: none"> 10&U – 50-100-200 Free, 50-100 Back, 50-100 Breast, 50-100 Fly, 200 IM 11-12 - 50-100-200 Free, 50-100 Back, 50-100 Breast, 50-100 Fly, 200 IM 13-14 - 50-100-200-400 Free, 100-200 Back, 100-200 Breast, 100-200 Fly, 200-400 IM, either 800 or 1500 Free Open - 50-100-200-400 Free, 100-200 Back, 100-200 Breast, 100-200 Fly, 200-400 IM, either 800 or 1500 Free 3) Meet must be at least two days 4) Meet must offer prelim/final for at least 13-14 and Open age groups (at least all events 200 meters or less) 5) Meets must be held either the week immediately before or the week immediately after the Southeastern Long Course Championships. <p><u>Additional Information:</u></p> <ol style="list-style-type: none"> 1) Meets may be open to any LSC or team, not just SES teams. 2) SES teams will not be bound to one site and may compete at multiple sites. <p><u>Rationale:</u> There are many reasons to create more “Championship” or “end of season” type meets in the Long Course season. Even without concerns for meet size due to Covid-19, we were already looking at a bloated Southeastern LC Championships. This proposal should allow for flexibility of dates to accommodate Summer League, etc... A meet of 500 swimmers would mean a \$2,000 incentive for host club for money that will not need to be submitted to SES.</p>							

T- 2	ACTION:	Adopted	Defeated	Adopted/Amended	Tabled	Postponed	Withdrawn
<p><i>Submitted by Brian Haddad PCST</i> <i>Will be effective immediately and only for the 2020-2021 SCY Season</i></p> <p>T-2 Allow Modification to Meet Fees for Previously Bid 2020-2021 SCY Meets</p> <p>Proposal is to allow teams to modify their posted meet fees for previously bid swim meets in the 2020-2021 SCY season. New meet fees must be submitted to SES office to be corrected on SES schedule at least 21 days before start of meet.</p> <p><u>Rationale:</u> Many of us will have to change our meets to comply with mandates and guidelines related to Covid-19. In most cases, our facilities will not charge any less for facility rental. This will place a</p>							

significant financial strain on these events with “normal” meet fees based on a much higher anticipated number of participants. This proposal will allow teams to adjust their meet fees to help compensate this loss of revenue.

Old Business from 2019 Meeting

2019 T- 7 ACTION: Adopted Defeated Adopted/Amended **Tabled** Postponed Withdrawn

Submitted by Robin Heller SAST

Will be effective

T-7 Incorporate Para 1, 2, and 3 Motivational Time Standards Into LSC Championship Meets

Proposal is to to adapt and incorporate USA Swimming’s LSC Motivational Time Standards into Southeastern Swimming’s Long Course and Short Course Championship Meets

Rationale: As the Adaptive Chair for Southeastern Swimming is it my duty to submit this proposal to the body. These times have been passed down as a tool for LSCs to decide how or if they want to incorporate disability standards in our meets and how. Here is the best way I have decided to propose adopting these standards. By Adapting the “Para1, 2, and 3” Motivational Time Standards we will be allowing Disability Swimmers to compete in Our SES Championship meets.

- All Swimmers would have a maximum of 6 Individual Events to be swum Friday, Saturday, and Sunday, Max of 2 events per day. BOTH long course and Short Course Meets
- These swimmers will swim TIMED FINALS ONLY in Prelims like the 10 and Unders.
- The “Disability Events” will be spaced out during prelims and all swimmers will be placed in a heat based on SEED TIME (not stroke, age, distance, etc.) SEED time will be used to make the timeline as tight as possible and to have close competition for our disability athletes.

For Example: (and just my suggestion totally up to the host team)

Friday 2 Events :45 seconds and under and 4-5 mins

Saturday 2 Events 1:30 and under and 2-3 mins

Sunday 2 Events 1:00 and under and 3-4 mins

- On Sunday Events will be placed and awards will be given, but no points will be allotted
- Disability Swimmers are swum together, but scored by gender, event, age group, but NOT separated by Disability only by “Para 1, 2, and 3”

Supporting documentation (standards) will be posted.
