- General Meeting:** All swimmers must be represented at a general meeting to be held Thursday afternoon following the men's 800 Free. Any change in the format of the meet will be decided at this meeting. It is each swimmer and coach's responsibility to be aware of any changes made during the meeting. The estimated start time of the meeting will be published on the Longhorn Aquatics website one week prior to the start of the meet.
- Qualifying Times:** Qualifying times are the Texas Senior Circuit (TSC) A standards. These time standards can be found at <http://www.texasseniorcircuitsswimming.org> Qualifying times must have been earned since June 11, 2007.
- Swimmers with one TSC automatic cut (in yards or meters) may enter any event other than the 800 and 1500 free. Even swimmers with an automatic cut must qualify with an A time to swim the 800 and/or 1500 free. Swimmers must enter an event that qualifies them for automatic status. If the automatic cut was earned in yards, you must enter in yards.
- Swimmers without an automatic cut must qualify with a TSC A cut in each event. However, these swimmers may also enter two bonus events. A bonus event is any event 200 meters or less. Bonus events must be marked as bonus in the Hy-Tek entry file.
- Qualifying times for the 50 back, breast and fly are the 100 times for those events.
- Meet Format:** Each prelim session will be seeded the evening before. Please scratch by 5:30 PM any event you will not swim the next day. There is not a penalty for failing to scratch a prelim event; this is a courtesy to the other swimmers by eliminating an empty lane in prelims. All deck entries for the next day's events received before 5:30 PM will be seeded.
- Events will swim slowest to fastest in prelims unless noted otherwise.
- Enter the 50s of stroke with your 100 time.
- The 800 and 1500 events will be limited to the first 32 swimmers entered in each event. The 800 and 1500 free and all relays are timed finals. All other events are prelim/final events featuring a final, consolation and bonus heat qualifying for finals on Friday, Saturday and Sunday. Additional final heats may be added with Meet Referee and Meet Director approval.
- Thursday's events are deck seeded and require positive check-in. The 800 and 1500 free on Sunday are also deck seeded and require positive check-in. The fastest heat of the women's 800 and the men's 1500 on Sunday, electing to swim in finals, will swim in finals; all other heats will swim at the conclusion of prelims on Sunday.
- Swimmers in Thursday's events must provide their own counters and timers. Swimmers in the women's 800 and men's 1500 free during Sunday prelims must provide their own timers and counters.
- The Meet Referee and Meet Director reserve the right to conduct chase starts from both ends of the pool and/or conduct fly-over starts based on the number of entries and projected timeline. The meet management may adapt the starting procedures and timelines to accommodate an unusually large, or small, meet.
- Seeding:** Non-conforming times will be seeded last – LCM times first then SCM then SCY then bonus events. The fastest 3 heats in prelims will be circle seeded.

- Check-In:** Positive check-in is required for the 800 free and 1500 free. Swimmers in Thursday's events must check in by 4:15 PM on Thursday.
- Swimmers in the women's 800 and men's 1500 on Sunday must check in by 6:30PM on Saturday. Swimmers in these two events must also indicate if they intend to swim in prelims or finals.
- Swimmers that check-in for an event and fail to swim will be fined \$25 payable to the University of Texas. These swimmers will be barred from competition (at this or subsequent TXLA meets at the Swim Center) until the fines are paid.
- Scratch Rule:** **Prelims** – Each prelim session will be seeded the evening before. Please scratch by 5:30 PM any event you will not swim the next day. There is not a penalty for failing to scratch a prelim event; this is a courtesy to the other swimmers by eliminating an empty lane in prelims. All deck entries for the next day's events received before 5:30 PM will be seeded.
- Finals** -- Swimmers qualifying for finals have 30 minutes after the announcement of preliminary results to either scratch or declare their intent to scratch. Any qualified swimmer in an event (a swimmer is qualified for finals or consolation finals if he has successfully completed the event in prelims) may be moved into finals due to scratches, therefore all swimmers who will not be present at finals must scratch to avoid possible fines or suspension from the meet. Swimmers that timely indicate an intent to scratch must declare their final intention within 30 minutes following their last individual preliminary event.
- Any *finalist* who fails to scratch and fails to report to the starting blocks for finals, is subject to a \$50 penalty. Athletes will be barred from competition (at this or future meets sanctioned by South Texas) until fines are paid. Fines are payable to the University of Texas.
- Eligible Swimmers** All USA Swimming registered swimmers who meet the qualifying times (see qualifying times section). Note: the number of out-of-section swimmers is limited to 100 swimmers (the team that puts the number of out-of-section swimmers at 100 swimmers or more will be the last out-of-section team allowed to enter).
- Entries:** Entries will open on Friday, May 22, 2009 at 12PM. Entries must be received by 12PM Friday, May 29th. We must receive your entry fees by Monday, June 8th or your entries may be removed.
- Swimmers may compete in 3 individual events each day. If you earned the qualifying time in yards, you must enter in yards. Do NOT convert times. Do NOT enter at the LCM cut. Enter bonus events with a real, provable time. You may not enter a bonus event with a NT. Bonus events must be marked as bonus swims in the Hy-Tek entry file.
- Teams with five or more swimmers entered in the meet must submit entries using version 3 or 4 Hy-Tek Team Manager software. Email to Rhonda Dirvin at jrdirvin@sbcglobal.net
- the Hy-Tek entry file,
a Word document of the entries -- by swimmer, with proof of time
and any other proof of time information
- If you don't receive an email confirmation, your entries were not received.
- Teams with fewer than five swimmers may send an email that includes: the team, team abbreviation, LSC, the swimmer's full name (as registered with USA Swimming), USA ID, event number and description, entry time and proof of time information (see "Proof of Time").
- No paper, phone or fax entries will be accepted. Entries received without accurate USA Swimming registration numbers will NOT be accepted or processed.

- Entry Fees:** \$10.00 per individual event; \$15.00 for each relay. This includes the South Texas Swimming splash fee of \$1.25 per splash.
- Make checks payable to: **The University of Texas at Austin.**

- Relays:** All relays are timed finals. Relay swimmers must be qualified and entered in an individual event.
- Relays, like individual events, will be seeded the evening before. Please scratch by 5:30 PM any relay you will not swim the next day. Deck entered relays are NOT eligible to swim in finals. The fastest 2 heats of each relay electing to swim in finals, will swim in finals, slowest to fastest. Remaining heats will swim during prelims, fastest to slowest. Relay cards for morning relays are due to Clerk of Course by 10 AM the day of the relay. Relay cards for evening relays are due at the beginning of the evening session. Cards not received by the deadline will be considered scratches.
- Proof of Time:** Times submitted to qualify for this meet will be pre-proved. Times achieved at the meet cannot be used to prove entry times. The Team Manager "Proof-of-Times Report" must be submitted with your entries. Only times that are in the USA Swimming database will be accepted. High School times other than District, Regional or State will NOT be accepted.
- Deck Entries:** Swimmers must meet the qualifying times and entry rules. Entry forms will be available at clerk of course. Deck entries fees are \$20 for each individual event and \$30 for each relay.
- Swimmers not previously entered in the meet must present their 2009 USA Swimming registration card at Clerk of Course to deck enter.
- Deck entries will be accepted for the current session beginning at the start of warm-up and close 30 minutes before the start of the session. Swimmers will be entered in empty lanes. Additional heats may be added at the discretion of the Meet Director and Meet Referee depending on the timeline each day.
- After the current session begins, deck entries will be accepted for the next day's events. Entries received by 5:30 PM, will be seeded in the next day's event.
- Time Trials:** Time Trials will be conducted 15 minutes following prelims on Friday, Saturday and Sunday *time permitting*. Swimmers must be entered in the meet to time trial. Time trial events count toward the daily entry limit of 3 individual events. The order of events each day will be at the discretion of the Meet Referee. Entries will be accepted until 11:00 AM each day. Entry fees are \$20 per individual event and \$30 per relay. Entry fees include the South Texas Swimming splash fee of \$1.25.
