**2009 Texas Open**  
**July 3 - 5, 2009**

- Welcome:** Longhorn Aquatics invites you to join us at the Lee and Joe Jamail Texas Swimming Center (Swim Center) to compete in our 2009 Texas Open. This meet is open to all USA Swimming registered swimmers and will be conducted in one 50 meter course, using a Colorado Timing System and Hy-Tek Meet Manager software. Designated warm-up lanes will be available during the meet.
- Location:** The Swim Center is located on the University of Texas Campus, 1900 Robert Dedman Drive, one block west of I-35 on the northwest corner of the intersection of Martin Luther King Boulevard and Red River Street.
- Liability:** USA Swimming, South Texas Swimming, The University of Texas, the Lee and Joe Jamail Texas Swimming Center, and Longhorn Aquatics accept no responsibility for liability or injuries sustained by any individual, athlete, coach, official, meet volunteer, or spectator while traveling to and from or while participating in the meet. Damage to the facility, when proved, will cause the offending swimmer, if unattached, or the offending swimmer's club, if attached, to be held accountable for repairs.
- Approval:** This meet has been approved by South Texas Swimming and 2009 rules will apply. There may be athletes competing who are not members of USA Swimming but the USA Swimming technical rules will be observed and all deck officials will be certified by USA Swimming. Foreign athletes must notify the meet director prior to the entry deadline for FINA approval. All US swimmers must be registered as athletes for 2009 with USA Swimming by the entry deadline. Athletes that register with USA Swimming after the entry deadline may deck enter the meet only if they can present their 2009 USA card.
- Schedule:** Saturday and Sunday the meet will be split into morning and afternoon sessions based on age. The morning sessions each day are planned for swimmers 12 & under and the afternoon sessions for swimmers 13 & over. However, we reserve the right to split the sessions differently or to combine sessions based on the entries received. Warm-ups may be split if a large number of swimmers enter the meet.

Friday	All Swimmers	Warm-up	1:30	Start	3:00 PM
Saturday	12 & Under	Warm-up	7:30 AM	Start	9:00 AM
	13 & Over	Warm-up	**	Start:	**
Sunday	12 & Under	Warm-up	7:30 AM	Start	9:00 AM
	13 & Over	Warm-up	**	Start	**

\*\* The warm-up for the afternoon session will begin immediately after the morning session. The exact time will be posted on the Longhorn Aquatics' website no later than June 23 (the day after entries close).

**Swim Wear Restrictions:** Swimsuits worn by males in all 14 and under STSI Age Group competition shall not extend above the waist and nor extend further down the legs than to the top of the kneecap (patella). Swimsuits worn by females in all 14 and under STSI Age Group competition shall not extend past the top of the shoulder, cannot cover any part of the arms nor extend further down the torso than the buttocks. Violators will be barred from competition until the swimmer's swimsuit meets the requirements of this paragraph.

During the afternoon sessions, results will not be broken out by age group nor will any awards be given based on age groups, so the swim wear restrictions will not apply to the afternoon sessions on Saturday and Sunday.

**Qualifying Times:** There are qualifying times for events of 200 meters and longer. Refer to the order of events for specific qualifying times. Athletes who do not finish an event within the LCM qualifying time will be required to prove their LCM entry time. Only times in the USA Swimming database can be used as proof of time. **Swimmers that can not prove their entry time will be fined \$25** payable to the University of Texas. These swimmers will be barred from competition (at this and/or subsequent meets at the Swim Center) until the fines are paid.

**Meet Format:** The 100 free is a shoot-out event and is a prelim/semi/final event. All other events are timed finals. All events will swim in one long course meter pool, seeded only by time and gender. Age groups will be combined. All events will swim fastest to slowest. Depending on the number of swimmers, chase starts and/or flyover starts may be used. If there are enough swimmers to run both ends of the pool, then even heats will finish at the American Flag end and odd heats will finish at the Texas Flag end.

The 400 free, 400 IM, and the 1500 free require positive check-in and will swim alternating heats of girls and boys. Effectively this means that boys will swim at the Texas Flag end of the pool, girls will swim at the American Flag end of the pool UNTIL we run out of boys heats and then the girls will swim at both ends, even heats at the American Flag end and odd heats at the Texas Flag end. Swimmers in these events must provide their own timer (and counter for the 1500).

We reserve the right to cap the number of swimmers entered in order to stay within the four hour rule. Swimmers will be entered in the order entries are received.

**100 Shoot-Out:** The 100 free (events 1 – 4) is a shoot-out event. Prelims of the 100 free will swim on Friday. The fastest 64 swimmers in prelims (16 12 & under girls, 16 12 & under boys, 16 13 & over girls and 16 13 & over boys) will advance to semi-finals on Saturday. The semi-final event will not count in the swimmer's max # of events. The fastest 32 swimmers from semi-finals (8 12 & under girls, 8 12 & under boys, 8 13 & over girls and 8 13 & over boys) will swim in finals on Sunday. The final event will swim as the first event on Sunday and will not count in the swimmer's max # of events. The 1<sup>st</sup> place finisher in finals will each receive a \$10 gift card.

**Swimmers that qualify for the next round of the shoot-out but are unable to swim the next day, must scratch at clerk of course within 30 minutes of the finish of the 100 free.**

**Scratches:** Please help us eliminate empty lanes by scratching any event you will not swim the next day. Coaches, please help us out and scratch any athletes that will not attend the meet the next day.

Before you leave the session, PLEASE scratch events you will not swim tomorrow.

There is no penalty for failing to scratch an event, BUT our experience with this courtesy scratch during long course season will shape our decision about positive check-in for all events in the future.

**Check-in:** Positive check-in is required for the 400 free, 400 IM and 1500 free. Check-in sheets for the 400 free and 400 IM will be available on the day of the event as swimmers enter the pool for warm-up and will close approximately one hour before the event is scheduled to swim. Exact times will be posted at Clerk of Course on the day of the event. Check-in sheets for the 1500 free will be available with the 400 IM on Saturday and will close at the end of the session on Saturday.

Swimmers that check-in for an event and fail to swim will be fined \$25 payable to the University of Texas. These swimmers will be barred from competition (at this or subsequent TXLA meets at the Swim Center) until the fines are paid.

**Entry Dates:** Entries will open at noon on Monday, June 1<sup>st</sup>. No entries will be accepted prior to this date and time. You should **not** make nonrefundable travel arrangements before you know your entries are accepted – entries will be taken in the order received. Entries will close the earlier of:

- a) Monday, June 22, 2009 at 6 PM or
- b) when a session reaches an estimated 4 hours in length. Individual sessions may close before the entire meet closes.

**Entries:** Swimmers may enter a maximum of 4 individual events per day and a maximum of 8 individual events for the meet. The semi-final and finals of the 100 free do not count toward these maximums. The age of the swimmer will be his/her age on July 3, 2009. Enter all events with previous best times achieved in long course meters. **Athletes may not enter an event a NT.** For the 50 and 100 meter events, please estimate a time if necessary. A good estimated time will ensure your athlete is seeded in the proper heat.

All teams with five or more swimmers entered in the meet must submit their entries using Version 4 or 5 of Hy-Tek Team Manager or Team Unify software.

Email entries to Debbie Norval at [anorval@austin.rr.com](mailto:anorval@austin.rr.com). When you email the entries, also attach a report of the entries by swimmer. Entries/emails without the report will not be accepted. If you don't receive an email confirmation, your entries were not received.

Teams with fewer than five swimmers may send an email including the team, team abbreviation, LSC, the swimmers full name (as registered with USA Swimming), USA ID, event numbers, event description, and entry times for each swimmer.

**Entry fees must be received by Friday, June 26, 2009.** Please include the meet entry fees report with your check. Please do NOT send a copy of the entries you emailed earlier.

No paper, phone or fax entries will be accepted. Entries received without accurate USA Swimming registration numbers will **NOT** be accepted or processed.

**Entry Fees:** \$7.50 per individual event. This includes the South Texas Swimming splash fee of \$1.25 per splash. Please send only one check per team location please. Refunds will not be given for any reason.

**Deck Entries:** Deck entries will be accepted only for open lanes. No new heats will be created. You may deck enter the current session beginning at the start of warm-up. Deck entries will close 30 minutes before the start of each session. You may deck enter events for later sessions after deck entries close for the current session. Deck entries for tomorrow's session will be seeded if they are received before the scratch deadline (i.e. deck entries for Sunday morning must be received before the end of Saturday morning's session to be seeded).

The deck entry fee is \$20.00 per event. **Swimmers not previously entered in the meet must present their 2009 USA Swimming registration card** at Clerk of Course to be able to deck enter.

**Awards:** Ribbons, first through eighth place will be awarded according to the following age groupings: boys and girls 8 and under, 9, 10, 11, and 12. The 1<sup>st</sup> place finishers in finals of the 100 free will each receive a \$10 gift card. No other awards will be given.

**Volunteers:** All teams entering 30 or more swimmers must provide one timer per session. All teams entering 60 or more swimmers must provide 2 timers per session. Lanes will be assigned to these teams. The assignments will be available on our website after the entry deadline.

**Special Needs:** Please notify the Jamail Texas Swimming Center Staff (512-471-7703) in advance of this event with the name and age of any member on your team who needs assistance to enter the building. TSC staff will make reasonable accommodations for swimmers, coaches, or spectators who wish to enter and use our facility.

In any meet sanctioned or approved by this LSC that may include one or more swimmers with visual, hearing, mental, or physical disabilities, the judging of such competitors shall be in strict accordance with the current USA Swimming Rules and Regulations, i.e., Article 105. A disability is defined as a PERMANENT physical or mental impairment that substantially limits one or more major life activities.

**Deck Access:** Only USA Swimming registered athletes swimming in the meet, coaches, officials and volunteers will be allowed access beyond the front desk of the Texas Swimming Center. Coaches and officials will be required to show their current USA Swimming registration card at the front desk in order to be on deck.

Please be aware that swimmers will not be allowed onto the deck until one of their team coaches has checked in and is on deck.

Any non-registered individuals not respecting these rules will be removed from that area or from the facility at the discretion of the meet director, Longhorn Aquatics Program Director or Texas Swimming Center staff.

**TSC Rules:** As guests of The University of Texas, all must adhere to the Texas Swim Center (TSC) rules. Coaches must supervise their swimmers. Chewing gum and glass containers are not permitted in the building. Locks may not be left on lockers overnight. Wet swimmers cannot leave pool deck. Children must be supervised at all times.
