LONGHORN AQUATICS

2010 Texas Open July 2 – July 4, 2010

- Welcome:** Longhorn Aquatics invites you to join us at the Lee and Joe Jamail Texas Swimming Center (Swim Center) to compete in our Texas Open swim meet. This meet is open to all USA Swimming registered swimmers and will be conducted in one 50 meter course, using a Daktronic Timing System and Hy-Tek Meet Manager software. Designated warm-up lanes will be available during the meet.
- Location:** The Swim Center is located on the University of Texas Campus, 1900 Robert Dedman Drive, one block west of I-35 on the northwest corner of the intersection of Martin Luther King Boulevard and Red River Street.
- Facility:** The Lee and Joe Jamail Texas Swimming Center has an indoor 8 lane 50 meter competition pool. The pool is 9 feet deep at the start end as well as the finish end and is considered one of the fastest pools in the world due to its depth, gutter system, high filtration rate and lane width. For the July 2010 meet, the length of the long course competition pool will NOT be certified before the start of the meet. However, in accordance with the 2010 USA Swimming Rules (Article 104), if a US or World record is broken at this meet, we will have the course measured and certified by a qualified, licensed professional immediately following the session during which the time was achieved. There have been many US and/or World records broken at the Texas Swim Center and the measured length of the course has never been an issue.
- Liability:** USA Swimming, South Texas Swimming, The University of Texas, The Lee and Joe Jamail Texas Swimming Center, and Longhorn Aquatics accept no responsibility for liability or injuries sustained by any individual, athlete, coach, official, meet volunteer, or spectator while traveling to and from or while participating in the meet. Damage to the facility, when proved, will cause the offending swimmer, if unattached, or the offending swimmer's club, if attached, to be held accountable for repairs.
- Approval:** This meet has been approved by South Texas Swimming and 2010 rules will apply. There may be athletes competing who are not members of USA Swimming but the USA Swimming technical rules will be observed and all deck officials will be certified by USA Swimming. Foreign athletes must notify the meet director prior to the entry deadline for FINA approval. All US swimmers must be currently registered as athletes for 2010 with USA Swimming and/or FINA by the entry deadline. Athletes that register with USA Swimming after the entry deadline may deck enter the meet only if they can present their 2010 USA card.
- Schedule:** Saturday and Sunday, the meet will be split into morning and afternoon sessions based on age. The morning sessions each day are planned for swimmers 12 & Under and the afternoon sessions for swimmers 13 & Over. However, we reserve the right to split the sessions differently or to combine sessions based on the entries received. Warm-ups may be split if a large number of swimmers enter the meet.

Friday	All Ages	Warm-up	1:30 PM	Start	3:00 PM
Saturday	12 & Under	Warm-up	7:30 AM	Start	9:00 AM
	13 & Over	Warm-up	**	Start:	* *
Sunday	12 & Under	Warm-up	7:30 AM	Start	9:00 AM
	13 & Over	Warm-up	* *	Start	* *

** The warm-up for the afternoon session will begin immediately after the morning session. The exact time will be posted on the Longhorn Aquatics website on Wednesday, June 23rd after entries are received. The diving well will be available for warm-up before the end of the morning session.

Swim Wear Restrictions: Swimmers shall be limited to one swimsuit, which shall be constructed of a woven/knit textile material, permeable to water and air, constructed so as not to aid in buoyancy, and shall not contain zippers or other fastening systems. In addition the suit shall be constructed so that the style/shape for males shall not extend above the waist or below the top of the kneecap and for females shall not extend beyond the shoulders or below the top of the kneecap, and it shall not cover the neck.

Cell Phones: The presence and/or use of cell phones, and any other equipment capable of producing photographic or video images, in the locker rooms is strictly and specifically prohibited at all times. There are no exceptions to this prohibition. Violators are subject to disqualification from the meet and disbarment from the facility.

Qualifying Times: There are qualifying times for events of 200 meters and longer. Refer to the order of events for specific qualifying times. Athletes who do not finish an event within the LCM qualifying time noted will be required to prove their LCM entry time. The entry time must be in the USA Swimming database, or a hard copy of results from a USA sanctioned, approved, or USA observed meet can be offered as proof of time. **Swimmers that can not prove their entry time will be fined \$25** payable to the University of Texas. These swimmers will be barred from competition (at this and/or subsequent meets at the swim center) until the fines are paid.

Meet Format: All events are timed finals, swum in one long course meter pool, seeded only by time and gender. Age groups will be combined. All events will swim fastest to slowest. Depending on the number of swimmers, chase starts and/or flyover starts may be used. If there are enough swimmers to run both ends of the pool, then even heats will finish at the American Flag and odd heats will finish at the Texas Flag.

We are requesting courtesy scratches for all other sessions (see Scratch section below). Heat sheets will be for sale at the store at the beginning of each session.

The 400 meter IM, 400 meter freestyle, and 1500 meter Freestyle, require positive check-in and will swim fastest to slowest. The 400s and the 1500 will swim alternating girl/boy. Swimmers in these events must provide their own timers. Swimmers in the 1500 must also provide their own counters.

We reserve the right to cap the number of swimmers entered in order to stay within the four hour rule. Swimmers will be entered in the order entries are received.

Scratches:

We are asking swimmers to scratch events they will not swim the next day. By 5PM on Friday, swimmers should scratch any events they will not swim on Saturday. Coaches, please help us out and scratch any athletes that will not attend the meet on Saturday.

On Saturday, before you leave your session, you will need to scratch any event you will not swim on Sunday.

There is no penalty for failing to scratch an event, BUT our experience with this courtesy scratch during long course season will shape our decision about positive check-in for all events in the future. Please help us eliminate empty lanes and allow the greatest number of swimmers to participate.

Check-in:

Positive check-in is required for the 400 meter IM, 400 meter freestyle, and 1500 meter Freestyle. Check-in sheets will be available as the swimmers enter the pool for warm-up and will close at approximately one hour before the event is scheduled to swim. Exact times will be posted at Clerk of Course on the day of the event.

Swimmers that check-in for an event **and** fail to swim **will be fined \$25** payable to the University of Texas. These swimmers will be barred from competition (at this or subsequent TXLA meets at the Swim Center) until the fines are paid.

Entry Dates:

Entries will **OPEN on Sunday June 13 at noon (CST)**. No entries will be accepted prior to this date and time. Any entries received prior to the entry opening date and time will be deleted. Entries will close the earlier of

a) Monday, June 21, 2010 at noon

b) when a session reaches an estimated 4 hours in length

Entries:

Swimmers may enter a **maximum of 4** individual events per day and a maximum of 8 individual events for the meet. The age of the swimmer will be his/her age July 2, 2010. Enter all events with previous best times achieved in Long Course Meters. **Athletes may not enter an event with a NT.** A good estimated time will ensure your athlete is seeded in the proper heat.

All teams with five or more swimmers entered in the meet must submit their entries using Version 3 or 4 of Hy-Tek Team Manager software.

Email entries to Dorothy Palmore at palmore@swbell.net. When you email the entries, also attach a Word or pdf document of the Hy-Tek Meet Entry Report **by swimmer**. If you don't receive an email confirmation, your entries were not received.

Teams with fewer than five swimmers may send an **email** including the team, team abbreviation, LSC, the swimmers full name (as registered with USA Swimming), USA ID, event numbers, event description, and entry times for each swimmer.

Entry fees must be received by Friday, June 25, 2010 or your entries will be removed from the meet. Please include the meet entry fees report with your check. You do NOT need to mail a copy of the entries you emailed earlier.

No paper, phone, fax, or USPS mailed entries will be accepted. Entries received without accurate USA Swimming registration numbers will **NOT** be accepted or processed.

Entry Fees: \$8.00 per individual event. This includes the South Texas Swimming splash fee of \$1.25 per splash. Please send only one check per team location please. Refunds will not be given for any reason.

Make checks payable to The University of Texas at Austin. Please include a copy of the fee report.

Special Needs: Please notify the Jamail Texas Swimming Center Staff (512-471-7703) in advance of this event with the name and age of any member on your team who needs assistance to enter the building. TSC staff will make reasonable accommodations for swimmers, coaches, or spectators who wish to enter and use our facility.

In any meet sanctioned or approved by this LSC that may include one or more swimmers with visual, hearing, mental, or physical disabilities, the judging of such competitors shall be in strict accordance with the current USA Swimming Rules and Regulations, i.e., Article 105. A disability is defined as a PERMANENT physical or mental impairment that substantially limits one or more major life activities.

Deck Access: Only USA Swimming registered athletes swimming in the meet, coaches, officials and volunteers will be allowed access beyond the front desk of the Texas Swimming Center. Those wishing to volunteer as a timer will be given a pass to access the deck and help for that specific purpose. Coaches and officials will be required to show their current USA Swimming registration card at the front desk in order to be on deck.

Please be aware that swimmers will not be allowed onto the deck until one of their team coaches has checked in and is on deck.

Any non-registered individuals not respecting these rules will be removed from that area or from the facility at the discretion of the Meet Director, Longhorn Aquatics Program Director or Texas Swimming Center staff.

TSC Rules:

As guests of The University of Texas, all must adhere to the Texas Swim Center (TSC) rules. Coaches must supervise their swimmers. Chewing gum and glass containers are not permitted in the building. Locks may not be left on lockers overnight. Wet swimmers cannot leave pool deck. Children must be supervised at all times.

Spectators and athletes may not bring food nor drink into the Texas Swim Center from outside sources. Teams ARE permitted to bring two (2) coolers on to the deck.

Parking:

NEW -- The University of Texas now requires a UT permit for parking along Trinity and San Jacinto as well as C Lot 80 in front of the Swim Center. They will be charging \$10 for parking in C Lot 80 as well as in the Trinity and Manor garages.

We are exploring other parking options, hoping to find free or at least cheaper parking close to the Swim Center. Please go to our website as we get closer to the meet for more information on parking.
