Education to support Swim Lesson and Swim Team Programs

Be one of the first to earn a Certificate of Training* in working with children who have cognitive or physical challenges in an aquatic setting.

Participants can choose the level of training which best suites their need:

1. The Children With Challenges™ (CWC) Online Educational Course gives a general introduction to programming for children with challenges, or
2. A more in-depth learning experience through participation in both the CWC online course and CWC Workshop.

**A CWC certificate does not earn credit toward an academic degree.*

CWC Online Educational Course

Target Audience: Aquatics Management personnel, Swim Instructors, Swim Coaches

*Cost: \$50/person**

This ground-breaking training provides the latest information for working with children who have these challenges:

- Physical/Orthopedic
- Intellectual/Cognitive
- Developmental Delay
- Emotional/Behavioral
- Learning and Processing
- Sensory Challenges
- Other Health Challenges

Upon successful completion of the online course and exam, participants are awarded a printable Knowledge Badge for their records.

To register for the Aquatics for Children With Challenges™ online educational course visit: <http://sai.learnupon.com/store>

CWC Online Course and Workshop Bundle

Target Audience: Aquatics Management Personnel and Swim Coaches

Cost: \$175/person, includes the CWC Online Educational Course and CWC In-person Workshop*

The combined CWC online and classroom/ in-water CWC Workshop course maximizes learning and provides the tools and resources necessary to facilitate staff in-service training. Guided discussion, experiential activities, networking, and the sharing of best practices amongst peers provides a forum for active participation. All participants should bring a suit and towel.

The CWC Online Educational Course must be completed prior to attendance at a CWC Workshop.

2017 Children With Challenges™ Workshop Opportunities

Date: Tuesday, August 29, 8am-5pm

*Location: Washington Hilton Hotel
1919 Connecticut Ave NW
Washington, DC 20009*

To register for the CWC Online Course and Workshop Bundle, visit:
