WARM-UP PROCEDURES AND SAFETY GUIDELINES: See attachment.

GENERAL MEETING: All swimmers must be represented at a general meeting to be held February 27, 2014 after the completion of Thursday's events in Room 281, located behind the spectator seating area. Any changes to the conduct of the meet will be decided at this meeting. It is each swimmer and coach's responsibility to be aware of any changes made during this meeting.

SEEDING: For events of distances 200 and less, the meet will be pre-seeded with heats organized according to USA Swimming Rules 102.5. All preliminary, 1000 free, 1650 free, and relay heats will be swum in the order of fastest to slowest. All finals heats will be swum in the order of slowest to fastest. USA Swimming national scratch procedures (USA Swimming Rule 207.11.6D and 207.11.6E), except as modified herein, shall be in effect. Empty lanes will be filled with on deck entries. For events of distances of 400 and more, see the section on "400 IM/500/1000/1650 FREE EVENTS".

Seeding shall be in the following order: Qualifying conforming course entries in time order, followed by non-conforming long course entries in time order, followed by non-conforming short course entries in time order, then non-qualifying conforming course entries in time order, followed by non-conforming long course entries in time order, followed by non-conforming short course entries in time order.

SCRATCHING: **Procedures:** Scratches prior to the seeding of heats shall be confirmed by properly filling out a scratch card and depositing in the scratch box. After the heats have been seeded, any swimmer who fails to compete in a preliminary individual event heat in which they have been entered and have not been scratched will be barred from further individual and relay events that day. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for the succeeding day's events.

Deadlines: Friday's events: Before the completion of Thursday evening's events
Saturday's events: 7:00 p.m. on Friday, February 28
Sunday's events: 7:00 p.m. on Saturday, March 1

Scratch Box: The scratch box shall be located at the Clerk of Course.

Relays: Properly completed relay cards must be turned in to the Clerk of Course by 11:00 a.m. or the entry will be considered scratched.

FINALS AND SCRATCHING: The administrative rules for the conduct of Gulf Swimming meets shall follow the Administrative Conduct of USA Swimming Championships, USA Swimming rule 207.11.6D and 207.11.6E, as modified below.

Any finalist who fails to compete at finals, consolation finals or any other bonus final heat, for which he has qualified and failed to scratch with the Clerk of Course prior to the scratch deadline, shall be banned from further competition in the meet in accordance with the USA Swimming Rules and Regulations. **On Sunday, any finalist that fails to compete at finals or consolation finals shall be fined \$50.00 and that swimmer's team shall be barred from further competition for the remainder of the meet, and any future Sectional Championships, until that fine is paid.** Fines are payable to Aggie Swim Club.

In a Prelim/Final meet, the finalists and alternates for finals shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals, consolation finals or any other bonus final heat if he has successfully completed the event in Prelims) may be moved into finals due to scratches, therefore all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet. Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists set at this point may be subject to the above fines and banishment from competition, even though any qualified swimmer may be moved into finals.

Entry rules for individual events:

- 1) Swimmers may compete in a maximum of 3 individual events and 1 relay event per day.
- 2) Qualifying times must have been achieved within two (2) years of the first day of the meet (February 27, 2012).
- 3) All swimmers must have met the "Sectional Standards" for each event entered (except for bonus entries, see rules below).

Bonus events:

- 1) Swimmers entered in at least one individual event, may swim up to two bonus events during the championships, provided they have achieved the "Sectional Bonus Standards".

1000/1650 free events:

A swimmer with a Sectional qualifying time in the 800/1000/1500/1650 Freestyle automatically qualifies for the 1000 and 1650 Freestyle. Enter the 1000 and 1650 with the swimmer's best time achieved during the qualifying period. Use the Override feature in OME to enter and prove times that don't meet the qualifying standards.

Entry rules for relay events:

- 1) All relay members must be entered in individual events.
- 2) The time for each relay may be submitted as a composite or aggregate time.
