Safety Guidelines

And Warm-Up

Procedures: •See attached Safety Guidelines and Warm-Up Procedures on page fourteen (14).

Eligibility:

- All swimmers, age 14 and younger, must be registered as athletes for 2014 with USA Swimming Inc. by the entry deadline and must be registered as a member of one of the five (5) Texas Local Swimming Committees (LSC's). All swimmers must also meet the time standards established for each event he or she enters and must have achieved those times between January 1, 2013 and March 3, 2014. Typographical and transcription errors with regards to achieved qualification times will fall under the current USA Swimming Rules and Regulations Paragraph 207.9.5. Competitors must indicate their USA Swimming Number and their age, as of March 6, 2014. Entries with "applied for" or "pending" registration will not be accepted. There will NOT be an opportunity to obtain a valid USA Swimming Number or registration at the competition.

- Swimmers may compete with a team that is registered with any of the five (5) Texas LSC's. The team must be a member of the Texas Swimming Association (TSA) to compete for team points and awards. A swimmer may swim "unattached" if he/she is ineligible to represent a team with whom they swim. Unattached swimmers may not earn team points. All teams must comply with all TSA entry requirements. All teams will be required to pay the \$25.00 TSA Dues to be eligible for the meet.

- If an unattached swimmer is not representing a team, that individual must pay the \$25.00 TSA dues to be eligible for the meet.

TSA Membership Requirements:

- All teams must be a member of TSA for their swimmers to compete in any event. The \$25.00 TSA dues will be included in the OME entry process. Late entries must pay the TSA dues at time of entry if the respective team has not already paid the TSA dues.

Rules and Sanctions:

- The meet will be held under the sanction of USA Swimming, Inc. and South Texas Swimming, Inc. The 2013-2014 USA Swimming Rules and Regulations will govern this meet. TSA rules will apply where allowed. TSA rules prevail over any inconsistencies between TAGS Meet Information and current TSA rules.

Scratch**Rules:**

- Scratching for all final events is required as outlined in the current USA Swimming rules 207.11.6D and 207.11.6E. **Scratching for ALL PRELIMINARIES is required prior to the deadline stated below.** Failure to scratch an event counts as one of your seven (7) events for the meet.

Check In / Scratch Deadlines:

Day/Event	Deadline
1000 Freestyle - Positive Check-in 500 Freestyle 12&U - Positive Check-in 800 Freestyle Relay - Relay Cards Due	Thursday 4:00 P.M.
Friday's Relay Events – Relay Cards Due / Declare AM/PM Friday's Individual Events – Scratch from Prelims	10 min after the conclusion of the general meeting for anything on Fri Prelims
Saturday's Relay Events – Relay Cards Due / Declare AM/PM Saturday's Individual Events – Scratch from Prelims	Friday 6:00 P.M.
1650 Freestyle – Positive Check-in / Declare AM/PM Sunday's Relay Events – Relay Cards Due / Declare AM/PM Sunday's Individual Events – Scratch from Prelims	Saturday 6:00 P.M.

Relays:

- Relays will be swum as Timed Final events. The 800 Freestyle Relays will be swum fastest to slowest. All other relays will have the fastest heat swim in Finals. Relay cards are due to the Clerk of Course according to the schedule above under "Check-In." Relay cards not turned on time will be considered scratched. Each team must declare their desire for their relays to swim either in the preliminary session or the finals sessions. The fastest eight (8) relays that declare a preference to swim in the Final's session will be seeded to swim in Finals. The order of swimmers on relay teams will be strictly enforced in

accordance with 102.3.7 USA Swimming Rules and Regulations. Relay Only swimmers must be pre-entered in the meet to be eligible to swim relays or Time Trials according to TSA rules. The four (4) swimmers being used to prove the time for a relay, whether the proof is done by team or by aggregate, must be eligible to swim that event for this meet.

- All 13-14 200 Medley Relays will enter using the 400 Medley Relay time.

Distance

Events:

- The 12&U 500 Freestyle, 1000 Freestyle, 1650 Freestyle, and all relays will be Timed Finals events.

- The 1650 Freestyle check-in will include the option to swim during either Prelims or Finals. The fastest eight (8) girls and fastest eight (8) boys who check-in to swim in Finals will swim during Sunday's Finals. All other heats will be swum fastest to slowest as the final event in Sunday's preliminaries. Entries will be seeded by entry time in the following order: 1650 SCY, 1500 LCM, 1000 SCY, 800 LCM. There will be a 10 minute break between the last relay event and the first 1650 Freestyle heat. See **ENTRIES** section below regarding the option to swim the 1650 Freestyle event if qualified in the 1000 Freestyle event.

- The 1000 Freestyle event will be swum fastest to slowest as a Timed Final. Entries will be seeded by entry time in the following order: 1000 SCY, 800 LCM, 1650 SCY, 1500 LCM. See **ENTRIES** section below regarding the option to swim the 1000 Freestyle event if qualified in the 1650 Free.

Entries:

- Swimmers may enter as many qualified events as desired but may only compete in total of seven (7) individual events during the entire meet with no more than three (3) individual events during any one day, plus one (1) relay per day, except on Saturday when two (2) relays are offered. On Saturday, swimmers can swim two (2) relays. Time Trial events will count as one of the three (3) events allowed per day, but not for one of the seven (7) meet events.

- Please note that you must scratch the events you do not want to swim by the deadline specified in the Check-In section. Failure to scratch an event counts as one of your seven (7) allowed events for the meet. Penalty for no-show counts as a disqualification and one of the seven (7) allowable swims. **A no-show for a Finals qualifier will result in that swimmer being barred from the remainder of the meet.**

- All seed times should be submitted in 100ths.

- Swimmers qualifying with a "non-conforming" time (LCM) should enter that event using the non-conforming time. This allows OME to prove a qualifying entry time.

- A swimmer that has the qualifying time for the 1650/1500 Freestyle also qualifies for the 1000 Freestyle. If entering the 1000 Freestyle with the 1650/1500 Freestyle qualification, the swimmer must enter the 1000 Freestyle with their 1650/1500 Freestyle time. This will provide proof of qualification for the event and will allow the swimmers to be seeded in the correct order: 1000 SCY, 800 LCM, 1650 SCY, 1500 LCM. Conversely, a swimmer who qualifies for the 1000/800 Freestyle qualifies for the 1650 Freestyle. If entering the 1650 Freestyle with the 1000/800 Freestyle qualification, the swimmer must enter the 1650 Freestyle with their 1000/800 time. This will provide proof of qualification for the event and will allow the swimmers to be seeded in the correct order: 1650 SCY, 1500 LCM, 1000 SCY, 800 LCM.

Entry Fees

Includes

\$.50 TSA

Fee:

- \$15.00 per Individual event/No refunds. \$20.00 per Relay event/No refunds. A \$5.00 per swimmer surcharge will be charged. Each team will be charged a \$25.00 TSA membership fee. Late entries \$30.00 per individual/relay events. Entry fee includes \$.50 TSA fee.

Entry

Process:

- Entries for TAGS must be completed in USA Swimming's online meet entry (OME) system: www.usaswimming.org/OME. Entries will open in OME on January 29, 2014 and will close March 3, 2014 at 10:00 AM. A Hy-Tek file is available on the TSA website (www.tsaswim.org) and the AAAA Swim Team website (www.aaaa-sa.org) for running eligibility reports and working out relays, but teams may NOT submit entries using Hy-Tek. OME saves your entries and you can complete your entries in more than one sitting, but once you check out, you cannot delete an entry (you can add additional entries until the entry deadline). Once all entries are complete and you have checked out in OME, send payment along

with hard copy printouts of entries/fees from OME and a signed copy of NISD's "Rules and Regulations" Policy (attached to announcement-one per team) to the Entries Chair (name and address follows).

Payment for entries made by check must be payable to "NISD Aquatics" and should be received by March 5, 2014. Credit card payments can be made through the OME process.

•If you have trouble using OME, please contact Anthony Buhr with USA Swimming at abuhr@usaswimming.org or (719) 866-3581.

•If you have an entry question, please contact Entries Chair Peter Hay (see contact information below). Email is preferred.

Entry

Deadline: •**Monday, March 3, 2014 @ 10:00 AM.** All payments must be mailed to the Entries Chair:

Peter Hay
8400 N Loop 1604 W
San Antonio, TX 78249
Email: peter.hay@nisd.net
Phone: 210-397-7524

•Each team should submit one check for the total amount of the entry fees due from that team.

•All entries after the deadline will be accepted as an on deck entry.

On Deck

Entries:

•On-deck entries will be accepted no later than 30 minutes prior to the scheduled start of each session. Swimmers who on-deck enter must pre-prove their time with the Clerk of Course, be entered at the qualifying time, and swim in the open lanes in the first heat. A zero heat will be added if necessary, but there will be no stand-bys for open lanes. The late entry fee is \$30.00 per event plus a \$5.00/swimmer surcharge and \$25.00/team dues amount (TSA fee) if applicable. On-deck entries will be required to present a copy of their current USA Swimming ID and a current best times report from USA Swimming SWIMS database. Electronic verification of USA Swimming SWIMS database will be accepted. **NO DECK REGISTRATIONS WILL BE ACCEPTED.**

Time Trials:

•Time Trials will be held, time permitting, for TAGS participants (name must appear on master entry sheet) between Preliminaries and Finals on Friday, March 7 and Saturday, March 8. Time Trials entries will be accepted from 9:00 – 10:00 A.M. on Friday and Saturday. There will be no Time Trials on Thursday or Sunday. The fee is \$20 per event. A swimmer may swim only one Time Trial per day. The 1000 yard Freestyle event will only be offered for Time Trial on Friday and the 1650 Freestyle event will only be offered for Time Trial on Saturday. Time Trial events count toward a swimmers total number of daily events as outlined in the Entries section (It counts as one of the three (3) events per day but not as one of the seven (7) events for the meet). Time Trial results will be published with the Final Results, however, these times cannot be considered for state records. Event order will be determined by the Time Trial Referee. Time Trial swimmers must provide their own timers/lap counters.

Proof of Time: •OME will automatically provide proof of time. However, if you override a time in OME, you will be required to provide proof of time.

•For all rules and explanations pertaining to TAGS Proof of Times, swimmers and coaches should refer to the TSA handbook. This is a pre-prove meet: all times will be verified through the SWIMS database. As always, it is the coach's responsibility to submit accurate, provable times. Otherwise, the individual swimmer or relay may not be entered in the meet. Any times not in the SWIMS database, including aggregate relay times, must be proven with supporting documentation supplied to the Entries Chair (see contact information above).

•Swimmers qualifying with a "non-conforming" time (Long Course Meters) should enter that event using the non-conforming time. This allows OME to prove a qualifying entry time.

Awards:

•**Individual Events:** Medals 1st through 8th

•**Relay Events:** Medals 1st through 3rd, Ribbons 4th through 8th

•**Teams:** TAGS flags will be awarded to teams that finish in 1st through 10th places. The First Place team will receive the Leo Cancellare Award, the TAGS traveling trophy.
