USA Swimming

Registration: All swimmers, coaches, and officials participating in this competition must be currently (2019) registered with USA Swimming. No swimmer will be permitted to compete unless the swimmer is a member as provided in Article 302. All should also be prepared to prove their USA Swimming membership to the Meet Director or designee at any time. Swimmers who 1) late enter when possible; 2) need to be late-entered because of clerical errors by the entering team or the Meet Host; or 3) are not entered in this meet and choose to enter time trials, if offered, will be required to present their USA Swimming ID card or proof of membership using the USA Swimming Deck Pass app (or a coach may present the club's official, watermarked roster from the USA Swimming club portal). Current national and LSC regulations do not allow for exceptions to these policies.

Unaccompanied

Swimmers: Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water, without the use of the backstroke ledges. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. All unaccompanied swimmers will be temporarily assigned to a registered USA coach for warm up, warm down, and competition purposes in order to comply with USA Swimming Rule 202.5.2.

Qualifying

Times: The qualifying time standards for all individual events are the Junior STAGS times in short course yards, short course meters, or long course meters (see pages 9-13). The qualifying time standard for the 15-18 events will be the 15-16 standard for each gender. Swimmers may **not enter any event in which they have achieved the 2019 STSI STAGS qualifying time standard or faster in any course – yards, long course meters, or short course meters.** In addition, they cannot swim that stroke and distance on any relay team. Qualifying Time Standards are on pages 9-13. Swimmers that have achieved the qualifying times prior to the first deadline, must enter by the first entry deadline – July 8, 2019. The second entry deadline, July 15, 2019 is for newly qualifying swimmers and final relay names. There are no qualifying times for relay events.

If entering with a non-conforming time (SCY/SCM), the swimmer must enter with the time achieved in the non-conforming course. Converted entry times will not be accepted. Seeding for heats shall be in the following order: long course meters, short course meters, then short course yards.

Proof of Time: Proof of time must be submitted with the entries. All entry times must be verifiable using the USA-S SWIMS database. Times used to enter a meet must have been achieved in a USA-S Sanctioned, Approved, or Observed meet. All proof of times are the responsibility of the entering teams, not the meet host. Entries without an acceptable proof of time will not be accepted.

Age up Date: The age of the swimmer will be his/her age on July 19, 2019.

Entry

Restrictions: An individual swimmer may enter a maximum of three (3) individual and one (1) relay event per day. Swimmers who have achieved the 2019 STSI STAGS qualifying time standard or faster in any course prior to the meet start date may not swim those individual events in the STSI Junior STAGS Championship Meet, nor may they swim that stroke and distance on any relay team.

Relay

Entries: All relays are timed finals. There are no qualifying times for relay events. Relay cards are due to the Meet Director or designee on the day of the event by **9:00 AM** for 12U Relays each day and **by the start of the afternoon (PM) session** for the 13-18 Relays. Relay team entry times may be determined by the sum of the individual team member's times for the like strokes/distances or the actual time of that relay team achieved in sanctioned competition. If a relay card is not turned in, the relay will be scratched. The order of swimmers on the relay team will be strictly enforced in accordance with 102.3.7 of the 2019 USA-S Rules and Regulations.

Relay team members must be eligible to swim in the same age group. Swimmers cannot "age up" for relay events. Unlimited number of relays per event per club (A, B, C, etc.) but only two relays per event per club will score. It is recommended that relay swimmer names be included with entries to help enter the relays efficiently at the start of the session.

Swimmers who have achieved the 2019 STSI STAGS qualifying standard or faster in any course prior to the meet start date may not swim that stroke and distance on any relay team.

Relay-only swimmers are not permitted. All relay swimmers must be entered in at least one individual event to be eligible to swim on any relay.

Entry

Deadlines: There are two entry deadlines for this meet. The first deadline is 11 days prior to the start date of the meet, **Monday, July 8, 2019 by 7:00 p.m.** The first entry deadline is for athletes who have achieved qualifying times prior to this date. If possible, please enter relay teams at the first deadline. This deadline is required to verify swimmers and times in the SWIMS database and correct errors.

The final entry deadline is **Monday, July 15, 2018, by 7:00 p.m.** and is dependent on the availability of potential qualifying meets one week in advance of the meet. ***This will also be the final deadline for all relay entries.*** Only swimmers who have achieved a qualifying time after the first entry deadline may enter using the second entry deadline. Teams may use the second entry deadline to update swimmer times if necessary.

After the first and second meet entry deadlines, any swimmer who achieves the 2019 STSI STAGS qualifying time or faster in any course for a previously entered event must inform the Entries Chair by the second entry deadline so the athlete can be taken out of that event.

Entry

Procedures: All teams with five or more swimmers must submit entries using HY-Tek Team Manager or its equivalent to the Entries Chair. Email is the preferred method of delivery; if you need to submit entries in another format, please contact the entries chair to make other arrangements.

Please rename the entry file to clearly identify the meet sanction number, your club code and the file (such as ST-19-##_code_Entries.zip). Include a Meet Entry report of your entries, listing the swimmer, USA Swimming ID, and entries by swimmer. Rename the Meet Entry Report using the meet sanction number, your club code, and the report name (such as ST-19-##_code_EntriesByAthlete.pdf). No paper, phone, or fax entries will be accepted. **If you don't receive an email confirmation, your entries were not received.**

Athletes included in improperly identified Commlink Files (Cfile0X.cl2 or zfile00X.zip) or with inaccurate or missing USA Swimming IDs will not be entered into the meet and any entry fees will not be refunded. Athletes will not be entered into the Meet Manager if the Meet Entry Report is not received. Athletes will not be permitted to compete in the meet until satisfactory fee payment arrangements have been made with the Meet Entries Chair.

Teams with fewer than five swimmers may send an email with the Entries Chair with the team abbreviation, the swimmer's full name (as registered with USA Swimming), the swimmer's USA Swimming ID number, and swimmer's events by number, description and proof of entry time.

When submitting files to the Entries chair, please include the name, email address and phone number of the person submitting the entries. Entries must be sent to Cori Gilbert at ccaentries@gmail.com. If you do not receive an email confirmation within 24 hours, your entries were not received.

Time Trials: Time trials will be conducted if time permits. Time trials (if held) will be conducted within 30 minutes of the conclusion of the morning session. Once the meet entries are received by the meet host, the host will then determine if time permits. If time trials are held, swimmers may enter events during the meet, up to the established cut off time for time trials.

Time trial entrants who are not already entered in the meet must present their current USA Swimming registration card or proof of membership using the USA Swimming Deck Pass app (or a coach may present the club's official, watermarked roster from the USA Swimming club portal) to enter into events. Swimmers may enter up to three time trial events per day if they are not already entered into the meet. The meet host will schedule time trials in the most efficient way possible without consideration of how many time trial events a single swimmer enters.

Swimmers must be registered with South Texas Swimming to participate in time trials. Participation in a time trial event counts as one of the daily total events allowed for swimmers already entered in the meet. A qualifying time earned during time trials will NOT qualify a swimmer to swim that event at this meet.

Time trial event results will be published with the final meet results.
