Notes:

1. Fastest two heats of each relay will be swum in finals. Remaining heats will swim at the end of prelims.
2. The 800/1500 Free events will swim as Timed Finals. The 800 and 1500 Free require positive check-in.
3. The fastest heat of the 1500 will swim with finals. All other heats of the 1500 Free will swim fastest to slowest, alternating women/men, following prelims.
4. Sunday finals will be swum in numerical order.
5. A 15 minute break will be taken before the relay events.

6. The 800 Freestyle and 800 Freestyle Relays will swim alternating Women and Men.

Meet Format: This is a prelim-finals long course meters meet with A, B, C, D & E finals for 400 meter events and shorter. The 800 Free, 1500 Free and all relays will be timed finals. The E final will always be reserved for athletes 18 years of age and younger.

All prelim events will swim fastest to slowest, with the first 3 heats circle seeded. In prelims the 400 IM & 400 Free will swim the first 3 fastest circle seeded heats of women, the first three fastest circle seeded heats of men, then alternating heats of women/men, fast to slow. All finals will swim slowest to fastest.

The 800/1500 Free events will swim as Timed Finals. The fastest heat of the 1500 will swim with finals. Swimmers entered in the 1500 Free may indicate their preference to swim in the Prelims session. The top eight swimmers who do not declare their preference to swim in Prelims will swim in the Finals Session. All other heats of the 1500 Free will swim fastest to slowest, alternating women/men, following prelims. The 800 and 1500 Free require positive check-in.

All but the fastest two heats of relays will swim in the prelim session. The two fastest seeded relay heats will swim in finals. There will be a 15 minute break before the relay events. The 800 Freestyle and 800 Freestyle Relays will swim alternating Women and Men.

Prelims: Prelims sessions will be seeded the evening before. Swimmers must scratch any event that they will not swim the next day by 6:30PM. After heats have been seeded, any swimmer who fails to compete in a prelims event in which they have been entered and have not scratched, will be barred from further individual and relay events that day. Additionally, that swimmer will not be seeded in any event on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for the succeeding day's events.

Individual events in prelims will be conducted using both ends of the 50-meter pool – odd heats start at the Non-Flag end, even heats start at the Flag end. All 50's will start at the Non-Flag end. Depending upon the size of the meet, we reserve the right to run events from only one end of the pool. Chase starts and fly-over starts may be used at the discretion of the meet referee.

Finals: Scratching for all final events is required as outlined in the current USA Swimming rules 207.11.6D and 207.11.6E. The finalists and two alternates will be announced and have 30 minutes after the announcement to either scratch, or declare an intent to scratch from finals. Any qualified swimmer in the event may be moved into finals due to scratches, therefore, all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet.

Thirty minutes after the announcement, no further scratches will be accepted. The existing scratches will be tabulated and finalists and two alternates will be set. Only those finalists at that point will be subject to a fine.

Any finalist who fails to compete at finals, consolation finals, or any other bonus final heat, for which they have qualified and failed to scratch, will be banned from further competition on the meet in accordance with USA Swimming Rules and Regulations. On Sunday, any finalist that fails to compete at finals, consolation finals or any other bonus final heat will be fined \$50.00 and that swimmers team will be barred from further competition for the remainder of the meet, and any future Sectional Championships, until that fine is paid.
