

# South Texas Age Group Swimming Championships Parking Information July 14-17, 2016

The University has established a parking program in the Trinity Garage:

- PTS will sell self-pay 4-day event cards for the Trinity Garage, \$40 per card at the Texas Swim Center 3:00PM – 6:00PM Thursday, 7/14/16.
- Cards will also be available at the Trinity Garage Cashier window during normal operating hours 7/14/16 and 7/15/16.
- No refunds will be given for unused days.
- Swipe cards purchased at the table in the swim center will be cash, check or credit card.
- Participants using these SWIPE cards must use the RED machine at the entrance and/or exit of the garage.

**\*Please be aware that construction & other events surrounding the Swim Center are going on and will cause congestion in the area.\***

*All parking on campus requires a UT permit or payment at the garages. Failure to display the required UT permit can result in a citation to the vehicle. When dashboard permits are issued duplication is strictly prohibited and, if found, can result in a citation with a minimum fine of \$210 and possible booting of the vehicle. In addition, when printing the permits please ensure that the entire PDF file is printed, not just the first permit, as each permit has a unique number and displaying duplicate permits can also result in citations and/or booting.*

**\*Please be aware of all posted signs including the "at all times" designation.**

**\*Spectators can park in any of the University garages for \$18/day without in/out privileges.**

**\*All parking on campus requires a UT parking permit or payment at the garages. Expect a minimum citation of \$35 for parking without a University of Texas parking permit.**
