**Facility:** Tired of slow swimming in a slow pool, with band aids and gobs of hair passing you by? Austin Swim Club has the answer. With 8 of the fastest racing lanes in the great state of Texas, ASC invites you to compete in the sports car of swimming pools. Waves will be squelched by the monstrous 6 inch Competitor lane lines allowing each swimmer to get their hand(s) onto the Colorado Timing touchpads with the least hydro-interference planet earth has to offer. Times will be recorded via Hy-Tek's Meet Manager software.

Austin Aquatics and Sports Academy is an outdoor facility with shade structures on two sides of the pool deck for coaches, officials, and athletes. Spectators will not have access to these sides of the pool. We highly encourage sunscreen. Partially shaded bleacher seating is available for 150 spectators on a first come, first serve basis. Grass area will be available to accommodate the athletes and overflow of spectators. Chairs are welcome in this area. Tents are available behind the pool, outside the fenced area.

Our pool is a twenty-lane pool. Warm down throughout the duration of the meet will be available in the ten lanes nearest the building (north side). The meet will be held in the eight lanes furthest from the building (south side). The two lanes in-between will be blocked off during the competition. See diagram:
