Re: Fluidra SA and Astral Pool
Date: July 16, 2017

Dear Friends,

It gives me great pleasure to inform you that UANA has a new commercial partner: **Fluidra SA**, a company based in Barcelona (ESP) that specializes in swimming pool construction, pool equipment, and pool supplies through **ASTRAL POOL**.

ASTRAL POOL is a leader in the public pool sector, both for leisure use or top-level competitions, with long-standing experience in public aquatic facilities in dozens of countries where **ASTRAL POOL** has supplied pools for the Olympic Games, the World Swimming Championships, water and leisure parks, spas, health resorts and aquatic therapy centers.

All of us know that development in the Americas is contingent upon the availability of new swimming facilities that enable more children to learn to swim and more young athletes to reach their full potential as competitive swimmers. I am very pleased to have **Fluidra SA** and **ASTRAL POOL** as our partners in these important efforts.

In the coming days, you will receive a message from Mr. Pere Ballart, who serves as the key contact with UANA National Federation leaders on this sponsorship program. He hopes to establish a relationship with you, understand your needs, and suggest solutions that can help your National Federation move forward in a positive way.

Some relevant information for you:

Mr. Pere Ballart

T: +34 609 310 396

E: pballart@fluidra.com

W: <https://www.fluidra.com/en/> and <https://www.fluidra.com/?lang=es>

For your information, the funds supplied to UANA through this sponsorship will provide administrative support to UANA, CCCAN, and CONSANAT; assistance to the four UANA championship events in 2017; and, seed funds for the UANA Swimming Cup in January 2018.

It is a pleasure for UANA to be associated with an industry leader like **ASTRAL POOL**, but even more importantly, we hope that this sponsor relationship will be highly beneficial to UANA National Federations for new pool construction or existing pool renovation.

All best wishes,

Dale Neuburger
UANA President
