Dear UANA Family and National Federation Leaders:

I trust you and your loved ones are doing very well; please allow me to wish great health and fortune for you in 2015.

On behalf of President Coaracy Nunes Filho, enclosed is the official notice for the 2015 UANA Quadrennial Congress. In addition, three of our aquatic disciplines have submitted their call for Toronto 2015 Pan American Games nominations for Officials; their respective documents are attached. Please, note that Water Polo and Diving are selecting their officials directly from the FINA Officials list without a call for nominations.

With regard to the call for nominations, I encourage you to pay particular and immediate attention to the specific deadlines and instructions by the Technical Committees of each discipline since they differ.

Remember that only the National Federations and their duly appointed administrators can submit nominations.

Notice is hereby presented to all UANA National Federations that the **UANA Quadrennial Congress** will convene at the Westin Harbour Castle Hotel during the XVII Pan American Games in Toronto, Canada on July 13, 2015.

In addition we are pleased to provide a timetable as it relates to the Congress.
