

REPORT FROM ROSE CODY, UANA TSSC CHAIRPERSON  
FOLLOWING MAY 12, 2012 UANA EXECUTIVE COMMITTEE MEETING  
Post UANA Executive Meeting Report

First I welcome back to Ana Maria Lobo on behalf of the whole committee. She is replacing the appointee from Bolivia who resigned. We are looking forward to working together for the 4 years ahead of all of us.

Puerto Rico presented their bid for the 2013 UANA Championships. TSSC Members all will be receiving a copy of our bidding process as we wait for confirmation from the Executive so we can start planning with enough time.

The Executive approved Athletes Representative for all the Committees; they put a clause, the representatives have to be from the same country as the Chair of each committee. Not an easy job for the chairs.

The Executive were as worried as we are not having any response from the 2012 Cali Organizing Committee. Fernando Canales will be in communication with them by telephone and mail giving them until May 22 to answer and sending the summons for the competition (2012 UANA Pan Am Synchronized Swimming Championships).

A new template will be done for bidding process and also for the contracts.

The new web page is already available. Chairs had to name a person from their committee to be the liaison with the web master - I have named Heather Archer as our liaison. Any content from our committee for posting is to go through Heather.

At a meeting with Canada and the USA we discussed presenting UANA proposals to the FINA rules. The deadline for proposals is Nov. 26th but we should have any proposals ready by September to present as the UANA family. As I am very busy with meets in El Salvador, Aruba and then Masters in Riccione I have designated Heather (as our secretary) to be in charge on this task with Barbara's assistance. Synchro Canada has offered access to their teleconference conference line. Bryan will be helping us as our liaison a great deal. We must keep him in the loop for all our correspondence.

We have to check the swimming schedules to avoid conflict between meets.

The proposal for the Coaches school was very well accepted by the Executive. Brian will be the person to give follow up with the executive.
