Regrets: Margo Mountjoy, Rose Cody, Jorge Ruiz, Lilianne Grenier, Lourdes de Goncalves

1. Proposal to implement fee for Federations not bringing Judges to our competitions.
 - effective immediately there will be a \$1000 fee (\$250.00 for 4 or less swimmers, \$1000.00 for 5 or more swimmers) on the registration form for Federations not bringing a judge with them.

The fee is to provide a judge for the entire competition.

Clarification - the TASC prefers a judge that is neutral if possible with no conflicts. The judge shall also not come from the Host Country.

*exemption would be for Federations that do not have a judge on the Fina or Uana list.

- The judge fee shall be included on the entry forms for all future summons. Entry deadline on registration forms will need to be 2-3 months prior to the event so that the Host has ample time to book additional Judges travel
- Athletes will not be allowed to compete until payment is received by Host Federation

Once collected the host must pay for the airfare and hotel for the added judge after being given information on which judge has been chosen by the Judges Subcommittee and approved by the commission.

- Unanimously passed by the TASC

2. Going forward the Annual Summons for the AS Competition will include Judges Meeting times on the schedule. The detailed schedule of competition will also list only 2 panels for figure events.

-summons shall also include the music routine information sheet to be completed by Team Leaders

3. Proof of Sport Document

- a document confirming nationality equivalent to the Fina form is needed and shall be added to the summons and registration package
- Host Federation will be allowed to provide photocopies of athlete passports or Birth Certificates
- The above items shall be added to the summons commencing in 2020

4. Miscellaneous

- Going forward the TASC shall wear khaki pants (if selected to judge TASC must wear white pants)
- TASC and Meet Manager must receive final schedule prior to the start of the meet
- Entire TASC needs to arrive one full day before Federations arrive at future meets so that there is ample time to meet and handle all issues concerning the competition ahead of time

Judges Subcommittee Recommendations

1. All judges must be a citizen of the country you are representing and hold a passport from that country (passed by the commission in June 2019)
2. Yearly competition shall have an evaluator paid for by UANA
3. Evaluator shall not be from the host country and at least every other year will be from out of continent
4. PAG will not count as the out of continent evaluator
5. No shorts allowed for judges, capris only that are past the knee
6. Open competition to all countries starting in 2020. Non-UANA countries will be listed in Open results and awarded as such
7. No prelims for any routine events going forward
8. In 2021 potentially add the highlight routine
