

UANA Water Polo Technical Committee Report

Chairman – Roberto Cabral

As a Chair in the UANA TWPC , I would like to open this report stating that since our last meeting in 2014 we have had a productive year for waterpolo in the Americas. Two events were helded , one Pan American juniors in Riverside California (2014), which was aimed at the classification of teams to compete in the world junior championship 2015 and also in 2015 , the realization of UANA Cup helded in Toronto-Canada ,valid asTest Event for Pan Am GamesToronto 2015 , wich the goal was to qualify three teams to participate in the World Swimming Championships , Kazan in 2015.

During these events we had meetings with members of the TWPC which were discussed matters which are highlighted below:

Toronto Games Report - TEST EVENT for Toronto 2015

Chairman and Liaison reports topics discussed in meetings that have been held during the week with the local OC.

Members presented some concerns regarding facilites pool and the lack of space for a good estruture for waterpolo competitions like : lack of a warmup swimming pool, a reduced time to warmup , no test wiil be done on official scoreboard, no spot for stretching warmup , no ice machine in the pool .

Others issues about time for practices for teams out of competitions that included the days off and time practices prior the games were observed after meetings with the OC.
