## ***2020-21 Personal Transportation for Away Swim Meets***

Due to the circumstances of the COVID-19 outbreak, PCHS has decided to allow personal transportation to swim meets. The specific guidelines below must be followed to eligible for personal transportation:

- ✓ The swimmer must ride down with their own parent/guardian. They may not drive themselves. No carpooling in any way, shape, or form. Other family members, friends, neighbors may not be used as drivers; parent/guardians only.
- ✓ Once a swimmer commits to riding with their parent/guardian, they are no longer covered by the UHSAA Catastrophic Insurance policy. This policy only covers team members riding the provided PCHS team transportation. In case of an accident, the swimmer's family's personal insurance will be their coverage.
- ✓ The swimmer must show up to the location from which the team bus will be departing to be temperature checked. It is a UHSAA rule that they are checked before they travel. If they do not attend the pre-transportation temperature check, they will be scratched and not be allowed to participate in the meet.
- ✓ If a swimmer is going home with their parent/guardian (no family members/friends/neighbors etc.), said parent/guardian must come talk to Coach Mike at the conclusion of the meet to confirm they are taking their swimmer. Swimmers will not be released from the team until Coach Mike meets the parent/guardian.
- ✓ A parent/guardian must email Coach Mike ([mwerner@pcschoools.us](mailto:mwerner@pcschoools.us)) before 5 PM the day before the meet to confirm that they are taking their swimmer to/from the meet. This request must be emailed for proof of documentation. If you have not received a reply confirmation your request by 8 PM, please call or text Coach Mike (remember I'm on deck coaching until 7:30 PM).

*All of the above guidelines must be followed in order for a swimmer to use personal transportation for away swim meets. Failure to follow these guidelines may result in a swimmer not being allowed to participate in future swim meets, home or away.*

If you have questions or need to reach Coach Mike on the day of the meet, please call.

Respectfully,

Mike Werner – Head Coach, Park City HS Swimming
