

# Nominees for the VSI Administrative Review Board

*Election date: September 19, 2021, HOD meeting*

## Non-Athlete Nominees

### Art Anthony

Hi. My name is Art Anthony. I am a coach representative on the Administrative Board of Review. I have been on this committee for 8 years and have been a part of several board of review cases so I am familiar with the process and rules. My goal as a part of this committee is to fairly and impartially give recommendations to the Board of Directors on bylaw infractions. I would be happy to serve in this capacity again.

I have also sat on the Board of Directors as the safe sport chair and the At Large non athlete representative. I currently sit on several committees including the Safe Sport Committee, Disability Committee, and Officials Committee. All of these positions have helped give me the background knowledge of VSI and the different roles they play to help the VSI teams.

I hope to continue serving VSI in this capacity.

### Bill Geiszler

If elected, I would bring the following years of service to the Administrative Review Board:

- 35 years as a VSI Official
- 30 years as a member of the VSI Budget Committee
- 12 years as VSI Treasurer
- 8 years as Vice Chair of Finance
- 4 years on the VSI Review Board
- ~20 years on the VSI Board of Directors

Thank you for your consideration.

### Dave Henderson

It would be my honor to continue to serve Virginia Swimming as a member of the Administrative Review Board. I have been a Virginia Swimming House of Delegate Representative for the team I coach with and/or a Virginia Swimming Board member for the full forty plus years of my coaching career. I have been a member of the VSI Board of Directors as the Senior Chair (2 terms), Coach Representative (7 terms), Long Range Planning (2000-2002), and just finished a 2-year term as an At-Large Board member. In regards to the committees I have served on, I have been a member of the Age Group, Senior, Technical Planning, and Finance committees.

I ask for your consideration and vote so that I can use my experience on the Administrative Review Board and continue to serve Virginia Swimming.

As Planning Director of Norfolk, VA which hosts the world's largest naval base and is the east coast's most at-risk city for sea level rise, Mr. Homewood has been a national leader in promoting a long-term vision of resilience to strengthen physical, economic, and social resilience in a rising water environment together with expanding the planner's toolbox to implement resilient strategies. Collaboration and a thorough understanding of both assets and risks are the keys to this approach to resilience. Within APA, Mr. Homewood has been a thought leader around the ethical obligation of planners to support and incorporate diversity, equity and inclusion into plans and planning processes. As a swimming volunteer for more than 35 years, Mr. Homewood provided athlete-centric leadership, pioneering changes in both governance and athlete protections Virginia years and decades before they became requirements of USA Swimming or USOPC.

## **Mike Salpeter**

Virginia Swimming colleagues and constituents,

Thank you for considering me to serve on the Administrative Review Board. Over the past 5 years I've served as Coaches Rep for Virginia Swimming on the board. Due to my expiring term, I can no longer serve in that position, and therefore am looking for a new role to best serve within our amazing LSC. Beyond serving as Coaches Rep, I have also served twice as a coach on the Zones team coaching staff; most recently as head coach of our winning team this past summer.

My ultimate goal in serving on the Administrative Review Board is to help keep our LSC running as smoothly, efficiently, and as safely as possible. I genuinely love the direction that our LSC is headed in, and wish to continue and humbly serve.
