

## CAC Safety Supplement 4.16.21

- Max permitted in building for event is 500
- No restrictions on traffic flow around pool deck.
- Deck spacing should be 10 ft where possible
- Upstairs bleacher seating can accommodate 238 with the addition of the previously omitted rows, with athletes alternating so no one is directly behind or in front of others, as currently set up.
  - Face masks **MUST** be worn at all times while in bleachers and moving through out the building. Only exception is while in the water or behind the block preparing to swim in the next heat.
