How to create the file:

Handling APT Issues

- On the day prior to the first day of the meet, we will send a final update to let the meet host know of any outstanding errors that have not been corrected.
- Any athletes who have not completed the APT at that point can still complete it before the meet
- As proof of completion, meet hosts can accept:
 - [Club Roster](#) from coach showing appropriate APT expiration date for athlete
 - [Athlete membership card](#) from Deck Pass showing APT is complete

16

Transfers:

- A swimmer who changes from one team to another must remain *unattached* for 120 days from the date that he or she last represented the former team in competition.
- *Unattached* means that the swimmer cannot score points or swim on relays for a team.
- Transfer form must be sent to the VSI office for any swimmer who changes teams. Must include the previous team and last date of competition.
- If no transfer form is sent with registration, we change the athlete's team to UN and will update it after the form is received.

Coaches

- USA Swimming Rules state that only coaches with current certifications and membership requirements are allowed on deck at a meet.
- On the Monday before a meet, a list of ALL individuals registered as coaches in VSI is sent to the meet director and meet referees for the upcoming weekend. Names of those whose certifications are or will expire prior to or during the meet are highlighted.

21

Coaches

- It is **EXPECTED** that the meet director contact the head coach of any team attending to meet alerting him if any of the club's coaches will not be allowed on deck.
- An updated list will be sent out later in the week and should be printed and taken to the pool for reference during the meet.
- A coach may show his card in Deck Pass as verification of certification.
