

Meet our Mascot, Mysteri!

When the Lamerdin family moved to the 757 from Newport, Oregon in August, they brought a mascot in the making across the country. Louisa Lamerdin explains, “Mysteri is a 23-year old flea-bitten gray Arabian. I have owned him for eight years and he is by far the most well-rounded horse I have ever met.”

Mysteri is a seasoned crowd pleaser. Young and old and alike have enjoyed Mysteri’s presence at events ranging from parades to petting zoos, even therapy work. This horse is not just a good equine citizen but he has been shown in English, Western, jumping, and trail competitions. He was even a member of the Lincoln County Sheriff’s Mounted Posse. Mysteri does anything asked of him, including dressing up in costume. We are excited about the possibilities for Mysteri to engage with the participants at our meets and events and even more pleased to be able to give him another chance to contribute in his golden years.
