

Good evening 757swim,

I hope this email finds you well. The staff will continue to put content out to our members throughout the week. Don't forget to go vote on your favorite mascot on our Facebook page. Feel free to fill in your own bracket as we go through our March Mascot challenge.

Today we are sharing a video on 10 steps to follow in your college search process. Coach Huger put this video together for me to share with our families.

Josh Huger joined the Tennessee Swimming & Diving staff in June 2019. In his first season, Tennessee achieved 1 American record, 3 SEC records, 9 school records, 287 lifetime bests, 8 SEC titles, and 15 SEC Medalists. Prior to his hiring, Huger spent four seasons as an assistant coach and recruiting coordinator at Virginia Tech. Huger helped to produce 2016 Olympians, 2017 World University Games qualifiers, 2017 World Championship participants, 13 US Open finalists and multiple top-10 recruiting classes. Before going to Virginia Tech, Huger was an assistant coach at William & Mary where he served as the sprint coach and travel coordinator.

Below is the link to the video:
