Entry for those not pre-registered will be available on a space available basis. Seating at the event will be limited to 150 in accordance with the TN.Gov [swimming pool guidelines](#) as follows:

“Limit the number of guests on premises or in the pool at a given time if appropriate spacing (at least 6 feet) between persons cannot be maintained, as density of people increases opportunity for virus transmission. Utilize reserved entries for specific blocks of time or consider a limited number of admissions per day. Small groups of household members or acquaintances may be in closer proximity but should be appropriately spaced from other persons or groups. Large gatherings offer more opportunities for person-to-person contact and therefore pose greater risk of COVID-19 transmission”

“Strongly encourage (or at operator’s discretion, require) visitors to wear cloth face coverings according to CDC guidance when in close proximity with others; however, advise those wearing face coverings to not wear them in the water, as doing so could make it difficult to breathe”

For this event, we will be following these guidelines. However, it is not recommended for swimmers to put on a face covering when wet as this could restrict breathing between races. Please advise swimmers to dry off before.
