

We utilize the Remind app for communicating things like important announcements, reminders, schedule changes, and other pertinent information for each Quest training group. Email remains the primary means of communication, but we will use Remind for shorter, time sensitive messages and reminders.

Parents (**and athletes 13 and older with parent approval**) are encouraged to join their respective training group(s) in order to start receiving important announcements via text message. In using this service, we are compliant with all USA Swimming policies – most importantly the SafeSport guidelines as set forth in the Minor Athlete Abuse Protection Policy (MAAPP).

In order to join, please follow the below instructions:

Send a text to 81010 with the group code below for each group that you want to join:
