Introduction

Welcome to UnitedScript! Helping you make a difference for your non-profit organization is why we do what we do! Since 1999, we have partnered with thousands of non-profit organizations across the United States, helping them to raise millions of dollars to benefit their schools, churches, sports teams, community programs and organizations.

The great news is that it won’t cost you, your friends, family members or supporter’s one extra dollar!

Scrip…what is that? How could it possibly help us?

Scrip actually means anything used in the place of money. In this case we are talking about gift cards from local and national vendors.

How does this translate into a fundraising program for our school?

- Here are a few things that it doesn’t mean!… No door to door selling!
- No boxes of merchandise to ask our friends, family and neighbor to purchase.
- No embarrassment when it arrives and we must deliver it back to the families who were generous enough to purchase something they didn’t want or need in the first place!!!

UnitedScript purchases millions of dollars’ worth of gift cards (SCRIP) yearly from national vendors. Your organization then purchases these same cards from UnitedScript at a discount. We in turn offer this scrip to our parents at face value. You receive dollar for dollar the value of cash for these items. We earn from 1.5%-25% on every purchase you make!

It’s that simple! No door to door sales! No added expenses!

How do I help?

Every year nonprofits face shortfalls, and unfortunately, the bottom line is that the needs of the programs they support suffer. As parents and members we want to help, but we also have limited funds available to donate. Your organization is partnering with UnitedScript to provide a program that will be a continual source of help. UnitedScript’s program will allow you as a parent, member or supporter to weekly make a choice to direct your normal purchases for essentials...milk, eggs, gas, clothing to those retailers that partner with our organization. By purchasing gift cards to use instead of cash, for our normal everyday purchases, we can create a powerful source of revenue for our programs!

Simply follow the step-by-step instructions in this manual to enroll.

Once your enrollment is complete you can begin...

To make a difference with every purchase!

Furthermore, if any such electronic debit(s) should be returned by my financial institution as unpaid (Non-Sufficient or Uncollected Funds), I understand that my nonprofit will be charged the amount of order in full, plus a banking fee of $25.00. Your order will be cancelled if not yet released for fulfillment by your Group Coordinator. Figure 21

Continue with normal order selection process.

If your Group has elected to offer the optional payment method using Credit Cards (Master Card/Visa only), please note that when choosing the Pay with Credit Card Option, the List of Available Retailers and the ScripRewards for each Retailer will change. If a Retailer's Discount Structure is 3% or below, that Retailer's Gift Cards are not available for purchase with Credit Cards. Please return to Choose Details for Order, and select Payment to Group Coordinator, for the Payment Method, to proceed to a full listing of Retailers and the percentage discounts or ScripRewards. To purchase Retailer's Gift Cards whose percentage discounts are 3% or below, payment must be made to the Group.
Payment Options (continued)

If you are paying with a Credit Card, please complete and confirm Billing and Shipping Information (Figure 22), and fill in the necessary Credit Card information and shipping Options (Figure 23).

1. Shipping Options are available only for those orders that are paid by Credit Card (Figure 24). Shipping Charges will apply. To avoid additional charges, orders may be shipped directly to Group Coordinators with their next order. Orders shipped to Organization are compiled with their regular orders. Please consult with your Coordinator for shipping details and delivery options. All orders placed and paid to the Organization are compiled together as one order and shipped directly to the address of record for the organization.

If you have opted to pay with a Credit Card, you may not change your payment option after reaching the ‘Shipping options’ page. If you would like to change your payment method, you must restart the ordering process. All credit card orders charge a 3% processing fee, which is deducted from the discount percentage of all gift cards; thus retailers offering a discount percentage of less than 3% cannot be ordered with a credit card and do not appear as available for purchase with a credit card. For example, since Walmart has a 2% discount percentage, Walmart gift cards cannot be ordered with a credit card.
