The Fastest Swimming in the Fredericksburg Area
Why Choose the RAYS?

OUR CORE VALUES

When choosing a year-round swim team, cost may be a factor, and while our cost is comparable to local teams, we offer more. For nearly 40 years, the Stingrays have been the premier team in the Fredericksburg area. The Stingrays have scored higher at all championship meets than any other team in the area. We train 45 weeks a year, more than any other team in the area. We offer more practice time for the upper level training groups: double training sessions during most holidays, plus summer long course training at Curtis Park and Jeff Rouse SSC. We regularly have swimmers quality for National Level meets as well as local championship meets. Many Stingray swimmers continue to compete in college. We offer the most experienced staff, with fulltime professional coaches plus many experienced part-time coaches. We simply offer more than any other team in the area. Think of this as an investment in your child’s future.

MEMBERSHIP & DUES

Membership dues vary with the level at which a swimmer trains. Annual dues can be paid in eleven monthly installments or in one discounted payment. All swimmers at the UMCA locations are required to be members of the YMCA. The Stingrays offers multi-swimmer family discounts, Outreach Assistance, and opportunities for scholarships.

PRACTICE GROUPS

Practice groups are designed to progress by age, ability and commitment of each swimmer. Membership is open to boys and girls between the ages of 5-18. New swimmers must be evaluated before joining.

Developmental: Emphasizes the development of all four competitive strokes, including racing starts and flip turns. Ages 5-10 must be able to swim freestyle and backstroke for at least 25 yards; Practice 2-3 times per week.

Age Group 2: For swimmers who have accomplished all four strokes at a competitive level. Swimmers will be introduced to nutrition, goal setting and basic core body strengthening exercises. Ages 7-14, must be legal in all four strokes; Practice 3-4 times per week.

Age Group 1: For age group swimmers who successfully accomplish all four competitive strokes and have a desire to improve. Hard work, discipline, and goal setting will be stressed. Ages 9-14; Practice 4-5 times per week.

Juniors: Designed to transition swimmers from the age group program for entry into the Senior level. This program consists of the elite age group swimmers on the team. Ages 11-15; Practice 5-6 times per week.

Seniors: For elite swimmers on the team who are committed and consistent in training at the National level. Ages 14 or older; Practice 6-7 times per week.
