

How to Access USA Swimming's Safe Sport for Athletes Course

Go to

<https://www.usaswimming.org/articles-landing-page/2017/04/05/free-safe-sport-training-for-athletes>

Click on the link for USA Swimming Members

For USA Swimming Members

- You will be directed to USA Swimming's LEARN page
- Enter your name and date of birth then "search"
- When you see your name in the list of results, click on "continue"
- You are now on the Member Education page. You want to click "Go to LEARN"
- Once in LEARN, you'll land on your Dashboard. It will show you all of the courses you have completed
- In the menu bar at the top, click on "Courses"
- On the Courses page, use the filters on the left hand side and click the boxes in front of "Courses" and "Athlete" to access the free courses for athletes
- Scroll down the page and look for "Safe Sport for Athletes". Click on "add to cart"
- Once the course is in your cart, click on "Checkout"
- You might get prompted to log in (again) to USA Swimming so do that if you have to so you can check out and get the course.
- Enter your name and address as required then click "Next Step"
- You will then choose Place Order and it completes the "purchase" and adds the course to your dashboard
- Now go back to your Dashboard and you will see the course
- Click on it to begin
- When you reach the end, save your certificate of completion (download or take a screenshot)
