

How to Access the Safe Sport for Parents (now called Parent's Guide to Misconduct in Sport)

Go to <https://www.usaswimming.org/articles-landing-page/2017/02/16/safe-sport-for-parents>

Under "Free Training for Parents" click on the link in either "For USA Swimming Members" or "Non-members"

- You are a USA Swimming member if you are a coach, an official, a board member, a registered chaperone, a meet director, or a safe sport athlete advocate
- If you do not fall into any of the categories listed above, you are a Non-member. Your swimmer is a USA Swimming member, but that membership does not automatically apply to you, the parent

For USA Swimming Members

- You will be directed to USA Swimming's LEARN page
- Enter your name and date of birth then "search"
- When you see your name in the list of results, click on "continue"
- You are now on the Member Education page. You want to click "Go to LEARN"
- Once in LEARN, you'll land on your Dashboard. It will show you all of the courses you have completed
- In the menu bar at the top, click on "Courses"
- On the Courses page, use the filters on the left hand side and click the boxes in front of "Courses" and "Parent" to access the free courses for parents
- Scroll down the page and look for "Parent's Guide to Misconduct in Sport". Click on "add to cart"
- Once the course is in your cart, click on "Checkout"
- You might get prompted to log in (again) to USA Swimming so do that if you have to so you can check out and get the course.
- Enter your name and address as required then click "Next Step"
- You will then choose Place Order and it completes the "purchase" and adds the course to your dashboard
- Now go back to your Dashboard and you will see the course
- Click on it to begin
- THIS IS A LONGER COURSE THAN THE ORIGINAL "Safe Sport for Parents". It will take about 40 minutes to complete. Expect a mix of video, self-paced reading and pre-test / post-test content
- When you reach the end, save your certificate of completion (download or take a screenshot)

For non-members

- You will be directed to USA Swimming's LEARN page
- You will need to create an account with USA Swimming, so click on "REGISTER"
- Click on "create account" under Non-member access
- You will have to enter name, birthdate, email address, password (that you create), LSC (you want to select VIRGINIA SWIMMING), and club name (Tide Swimming)
- After you have created an account, then click "Courses" on the next page
- On the Courses page, use the filters on the left hand side and click the boxes in front of "Courses" and "Parent" to access the free courses for parents
- Scroll down the page and look for "Parent's Guide to Misconduct in Sport". Click on "add to cart"
- Once the course is in your cart, click on "Checkout"

- You might get prompted to log in (again) to USA Swimming so do that if you have to so you can check out and get the course.
- Enter your name and address as required then click “Next Step”
- You will then choose Place Order and it completes the “purchase” and adds the course to your dashboard
- Now go back to your Dashboard and you will see the course
- Click on it to begin
- THIS IS A LONGER COURSE THAN THE ORIGINAL “Safe Sport for Parents”. It will take about 40 minutes to complete. Expect a mix of video, self-paced reading and pre-test / post-test content
- When you reach the end, save your certificate of completion (download or take a screenshot)
