(A) After 30 days of membership, Full Plan members are committed to paying: entire amount of their lump sum or monthly installment payment plan, annual registration fees, meet and other fees accrued, along with satisfying the annual fundraising and volunteer requirements.

(B) A 10% discount is reflected in the Lump-Sum Fee for the Full Programs.

(C) A minimum 3-month commitment is required for all Flex Plan (Month-to-Month) participants. Flex Plan fees will be billed upfront for the first three months and then additional months will be paid until the swimmer chooses to suspend their membership.

**REGISTRATION FEES**

Families must pay an annual Registration fee of \$120 per swimmer that covers administrative expenses, Gator cap and t-shirt, and USA Swimming Registration (required for insurance purposes and eligibility to swim in USA meets).

**PAY FEES ONLINE**

There are no additional finance charges for payment made by credit card or ACH bank debit. Program fees are billed monthly and a \$25 late fee will be assessed to payments made after the 21<sup>st</sup> of the month.

**PAYMENT OPTIONS**

The Full Plan offers a lump-sum payment option, discounted by 10%, for swimmers in a 9- or 12-month program. The Flexible Plan is designed for swimmers that, for example, may play other sports but would like to swim at least three months during the season. Flex Plan fees will be billed upfront for the first three months and then additional months will be paid until the swimmer chooses to suspend their membership. In addition to the Program Fees, there is an annual per swimmer USA Swimming and Gator registration fee to cover registration, insurance and other administrative expenses. Additional fees such as meet entry fees, lodging, transportation and other meet costs are not included in program fees and are billed separately.

**DISCOUNTS AVAILABLE**

A 10% discount is reflected in the Lump-Sum Fee for Full Plan. A 5% Military discount is offered to active members of the military and their families. We also offer the following family discounts: 2nd swimmer at 15% discount; 3rd swimmer at 20% discount; and, 4th swimmer at 30% discount.

**FUNDRAISING REQUIREMENT**

We hold a club-wide raffle every fall that is our major annual fundraiser. All Gator families are required to sell a certain number of tickets per swimmer with the maximum requirement capped at eight tickets per family. Full Plan National swimmers are obligated to sell eight tickets, Full Plan Senior swimmers are obligated to sell six tickets, Full Plan Junior swimmers are obligated to sell four tickets, and Enrichment/Competitive/Fundamental swimmers and all Flex Plan swimmers are obligated to sell two tickets. There is a family maximum of 8 tickets regardless of plan. Information on the raffle will be provided at the Parent Meeting, held in August, and is posted on our website on the "Support" tab.

**VOLUNTEER REQUIREMENT**

As a parent-run club, we rely on parent volunteers to run the club. Each family with a swimmer in a Full 9- or 12-month program is required to provide a minimum of 5 service hours, annually. This requirement can be satisfied by timing at meets, officiating, working event parties, public relations, marketing activities or chairing a committee. Members can opt-out of this time requirement with a \$100 payment. Flex Plan families will be expected to volunteer at swim meets attended by their swimmer. Whether you are a veteran swim family or new to the sport, there is a place for you!
