**NAME : Zak Raymond**

**AGE : 17**

**What is your Favorite part about being on VJO?**

The things I enjoy the most have got to be the people and the potlucks.

**If you could eat one meal for the rest of your life, what is it?**

I'd say peanut butter & banana sandwiches. I already eat them for lunch every day and I could just switch up the type of spread or ripeness of the banana to alter the taste of my sandwich for variety.

**If you were a super-hero, what would be your power?**

I would want my superpower to be telekinesis so I can bend a spoon with my mind. I could also carry the groceries in one load.

**Favorite Stroke?** Butterfly

**Favorite Movie?** A Silent Voice

**Favorite Song?** Clementine by Greent Perez

**NAME : Anna Reyes**

**AGE : 18**

**What motivates you to work hard?**

Something that motivates me to work hard is making myself proud. I have come to a point where I've realized nothing can really push me to get something done unless I want it to happen. Yes, it's nice to try and get other's approval, but ultimately yours is the only one that matters.

**What is your go-to song to get you pumped up?**

When I was swimming, my hype song was "Party in the USA" by Miley Cyrus. Currently, my hype song is "BANGBANGBANG" by BIGBANG. It's K-Pop.

**If you lived by any piece of advice or motto, what would it be?**

My favorite quote of all time is "It's not about what happens to you, but how you react to it that matters." In life, we're always going to have unexpected challenges thrown at us. We can't always control what happens to us, but we can control how we react to those obstacles.

**Favorite Stroke?** Butterfly

**Favorite Event?** 100 Breaststroke

**Favorite Animal?** Monkeys!!
