

Locker Room Policy

The purpose of this policy is to protect our athletes, coaches and parents. We respectfully request all Hanover parents review this policy with your athletes.

HNVR Best Practice Locker Room Policy

- No HNVR athlete may leave practice without permission from a coach. (See Policy Considerations below.)
- No HNVR athlete should be in the locker room alone at any time unless absolutely necessary.
- HNVR athletes should read and adhere to BRSC and Hanover Aquatics Locker Room policies.
- HNVR athletes should report to the coach or office staff member any concerning or inappropriate behavior immediately.
- HNVR athletes should shower and dress quickly avoiding time spent without cover in front of mirrors or in front of others.
- Parents should not enter the locker room unless absolutely necessary and then with conditions. (See below for Policy Considerations.)

Character First -- HNVR athletes understand personal accountability and the expectation of being a Hanover Aquatics team member is always about maintaining a high level of personal character. The use of poor language, inappropriate discussions and general roughhousing in the locker room is unacceptable. Please notify a coach to report any violations.

General Policy Considerations

Coaches make every effort to recognize when an athlete goes to the locker room or changing area during practice and, if they do not return in a timely fashion, we will check on the athlete's whereabouts. A swimmer leaving the water for the locker room or changing area must ask the coach first. It is impossible to record these instances, but this request allows for a better awareness.

Parents should not enter the locker rooms unless it is truly necessary. In those instances, it should only be a same-sex parent entering from the hallway and entry should only be to the point where inquiry can be made as to the progress of the swimmer—typically a few feet inside the door. Please remain close to the door in order to respect swimmers' privacy. An opposite-sex parent needs to ask another parent to check on his/her child. If this is not an option, then the parent should let the coach know about this in advance, allow the coach to announce him or herself and allow swimmers to gather things to maintain their privacy. Following this announcement and a brief period, the coach and opposite sex parent can enter the locker room but only for the limited, specific purpose (and time needed) for which they entered.

USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES

Hanover Aquatics prohibits the use of mobile devices with recording capability in locker rooms.

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. The USA Swimming Athlete Protection Policies prohibit the use of such devices in the locker room or other changing area:

305.3 Use of audio or visual recording devices, including a cell phone camera, is not allowed in changing areas, rest rooms or locker rooms.

This absolutely applies to cell phones even if the person is not using the photo, video or other recording device. Please understand that the actual use of a photo, video or other recording device can violate state law as well as Hanover Aquatics team policies and lead to serious consequences. Your child should be specifically advised that cell phones are not things that they require at practice. Please insure that all swimmers are aware NOT to use any function on any mobile or recording device whatsoever while in a locker room and that cell phones should remain in a bag or clothing pocket.
