

2015-2016 Southwest District New Officials Orientation/Training

We need Officials at all positions and from all Teams!

Officiating is fun and rewarding. If you want to get involved and contribute to our sport, this is a great way to do it! We have many meets and the more officials we have, the easier it is to adequately staff them. The training will start with an introduction and overview of USA Swimming officiating and explanations of Virginia Swimming's officials training and certification process. This portion of the clinic is required for all those individuals who wish to train as either wet deck (stroke and turn) or dry deck (computer operator, administrative official) officials. The clinic will then continue with an introduction to officiating as a stroke and turn official.
