What is Scrip Fundraising?
It's fundraising while you shop!®

Stop selling and start earning with scrip fundraising! You can purchase gift cards for America's most popular retailers through Great Lakes Scrip Center® (GLSC) and use them for everyday purchases. You earn money with each gift card purchase. Scrip gift cards are the same gift cards you can purchase from the retailer. With over 300 of the country's biggest brands, including grocery and department stores, gas stations, restaurants, hotels and home improvement, GLSC has something to appeal to every family. The office orders scrip from GLSC at a discount, and you pay face value for their gift cards. That difference is an instant rebate for you toward your fundraising obligation, and you don't have to purchase anything you don't need.
