

## 2016-2017 SNOW Swimming Pricing Information and Billing Policy

### How Payments Work

SNOW Swimming offers three different types of billing groups: sessional, school-year, and year-round. Each billing group is specific to a roster group, and is determined by which roster group your athlete trains with. Payments may be made electronically by credit card through the team website, or by check. (Please mail checks to 22483 Verde Gate Terrace, Ashburn, Va 20148)

Sessional	School-year*	Year-round*
Sessional Programs are designed for young swimmers who want to pursue their interest in swimming, while having the flexibility to participate in other youth sports and activities.	School year programs are designed for young swimmers who want to pursue their interest in swimming to a greater extent, while having the flexibility to participate in other youth sports and activities. School year programs run from early September to Memorial day of the following year.	Year-round programs are designed for swimmers who want to pursue swimming to the highest level possible with gold groups embarking on a rigorous and challenging program. The goals and demands of these programs are designed to challenge the accomplished and committed swimmer. Short course training will run from early September to Memorial day. Long course training will run from Memorial day to late July/early August.
Sessional programs require registration and payment from session to session. Swimmers are required to commit for the duration of each session, but swimmers may skip sessions (e.g., Athlete swims during fall and spring session, but not winter). <b>Payments are due by the first day of each session.</b>	School-year programs require a one-time registration each year and are considered a contract program*. Swimmers are required to commit for the duration of the entire short course season, which typically runs from early September to Memorial day of the following year. Swimmers may not skip sessions. <b>There are a total of four payments for school-year groups: one at time of registration, one on Sept 1st, Nov 1st, and the last on Feb 1st.</b>	Year-round programs require a one-time registration each year and are considered a contract program, subject to special notes below*. <b>Additional Fees</b>	<i>These fees are not included with your registration and may or may not apply to your specific athlete</i>
<b>Swim meet entries</b>	Meet entries are posted to individual team accounts immediately following coaches approval after the entries have been closed. Swimmers that do not attend the meet, for any reason, will not be refunded.
<b>Training equipment</b>	All equipment fees are the sole responsibility of each swimmers' family. Pricing may vary, depending on what equipment is needed, and how often equipment needs to be replaced.
<b>Dryland training</b>	Specific programs may require additional dryland training. Groups will be notified about what is required and how payments will be handled.
<b>Long course training</b>	Long course training is not included in the annual fee for sessional or school year programs. There is a separate fee of \$200 that will be posted to your team account.

<b>Payment Methods</b>	
<b>Credit Card</b>	Payments may be made online, via credit card. This can be a one-time manual payment, or automatic payment can be set up through your team account.
<b>Check</b>	Checks may be made payable to "Snow Swimming" and must be post marked before the due date. They can be mailed to: 22483 Verde Gate Terrace, Ashburn, VA 20148

**Late Payments**  
Balances due on the first of the month and not paid by the 14th of each month will incur a \$25 late fee that is posted automatically on the 15th of each month.

<b>**Cancellation and refund policies</b>	
<b>Withdrawing from the team</b>	Swimmers who register prior to the season starting and then choose to withdraw from the team will be charged a \$75 admin fee before their refund is processed. A swimmer who decides to quit or leave the team during their contract period will be charged 50% of the remaining contract fees.
<b>Injuries</b>	A swimmer who needs to withdraw due to an injury or illness will be given a prorated refund in the form of a credit to their account. This may be used for their own fee payment in the future or family member's accounts.
