

WAVE AQUATICS TEAM TRAVEL POLICIES

1. While on team sponsored trips (swim meet, training trip, or other team function) all swimmers, coaches, and chaperones represent Wave Aquatics. Your behavior should represent our team standards and policies.
2. All swimmers, coaches, and chaperones traveling with the team will attend all team functions and adhere to the scheduled functions. Coaches will establish an itinerary for the trip, which all members must follow; it is essential you are prompt and on time.
3. Swimmers must always remain with the team during travel trips. Without the permission of a chaperone or coach, swimmers are not to leave the pool, hotel, or any place at which the team gathered.
4. Team areas, including hotel rooms and team vehicles, must be kept clean. Belongings should be kept together and all trash deposited immediately while at the pool. Damage to hotel rooms, pool area, or team vehicles will be the responsibility of those involved and possibly result in disciplinary action.
5. Swimmers cannot enter hotel rooms occupied by swimmers of the opposite sex. Male swimmers are not allowed in female swimmers' hotel rooms, nor are female swimmers permitted in male swimmers' rooms. Coaches and swimmers are also not to enter into each other's hotel rooms.
6. All swimmers are expected to strictly adhere to the curfew established by the coaching staff. Adhering to curfew includes turning off all electronics (phones, TV, tablets, computers, etc.) and going to sleep.
7. Swimmers are expected to travel with and stay with the team on team travel trips. Any exceptions to this policy must be approved by the Head Coach or their designee prior to the trip.
8. Violation of these rules will result in disciplinary action, including the possibility of being sent home from the meet at the expense of the swimmer's family.
