

# ***HOLIDAY SPLASH INFORMATION***

**This is just a quick note going out to all the non-BAC participants in this Sunday's Holiday Splash Meet**

## **MEET LANDING PAGE**

First, be sure to visit the link above for all of the most important information related to the meet!

## **SESSIONS AND FORMAT**

Even with the changes from the original format (condensing from one day to two), we kept the 'three-session' format of the meet. This was really important to us – USA meets can just be so long and a poor comparison to what other sports offer. Our hope with this format is to get 'in and out' more quickly with shorter sessions. Having combined genders is a little unusual, but it helps make the meet run more efficiently.

## **HEAT SHEETS**

Heat sheets will NOT be for sale on site – THEY'RE FREE!. You can find them on our hosted meets page. You can view them electronically the day of the meet, or pre-print them if you prefer a hard copy.

## **CONCESSIONS & SEATING**

With shorter sessions, we didn't think that 'meal-type' concessions would be popular. Instead, we'll have plenty of drinks and snack items befitting the length of the meet.

Seating is available in the hallways nearest the pool and in the mezzanine. The cafeteria is not available for this meet.

## **PARKING**

Families can attempt to park in the 'pool-specific' lot around back, but it typically fills quickly. Instead, parking in the main lot in the front of the building makes just a short walk to the pool.

## **WARM-UPS**

Warm-ups are assigned by lane – each team will have their assigned lanes for the entire portion of the warm-up. The assigned lanes are posted on our meet landing page.

## **SINGLE AGE STATE QUALIFYING TIMES**

With the combined genders for every event, it would be really messy and tricky to get those standards into either the heat sheet or in the results report, so you won't see them. But we'll have several hard copies posted on the pool deck

**That should be all of the basic information. It going to be a fun and fast meet – see you Sunday!**
