DFAC Swimming has a 32+ year tradition of helping swimmers of all ages - from Sun Prairie and DeForest, to Waunakee, Poynette, Madison, and Beaver Dam - to grow from being young swimmers into well-rounded individuals - both in and out of the pool.

We offer a nurturing and fun environment for swimmers to improve skills and achieve success at his or her level of ability, from novice to advanced competitor.

Dear _____:

DFAC Swimming is a parent-run, nonprofit organization that has served the needs of hundreds of area swimmers for close to 20 years. As a club governed by USA Swimming, it is our mission to help area youth develop swimming skills and inspire and nurture each individual so that they can reach their maximum potential. **YOU CAN HELP** by becoming a corporate sponsor. Funds raised through our sponsorship program will help cover meet hosting expenses, coaching education and training, as well as travel expenses incurred to attend out of town meets. Without the continued support of our local area merchants and civic-minded community backers, our program would not be possible

We invite you to join a list of generous companies and individuals who support DFAC and the many opportunities that it provides for youth in our area communities.

During the year we provide various opportunities to highlight our sponsors, including all of our swim meets, website, fundraising events, and more.

If we can provide any further information or answer any questions about DFAC, please feel free to contact our Fundraising Chair at fundraising@dfacswwimming.org. We will follow-up via telephone or email within the next few weeks.

Thank you in advance for your generosity,

DFAC Board of Directors
