Head Coach Search Update

The selection of a new head coach for the Fox Valley Wave is getting close to fruition. After an exhaustive search process, we are conducting final interviews with our two top candidates. Once these interviews are completed, the interview committee will make a recommendation to the board with the goal of having an offer to our top candidate by mid-January. We have a diverse interview committee consisting of coaches, board members, and a long-time Wave parent all offering a unique perspective to the process. We appreciate everyone's patience as we make the best selection for our team and swimmers.

Qualifying Times

The team frequently attends meets which require qualifying times, and Short Course State is fast approaching. We want to ensure all parents and swimmers are aware if they are qualified or close to qualifying.

Here is where to find qualifying times:

On the team website, under the Practice Team tab, the [state time standards](#) are listed. Compare these to your swimmer's times which can be found using the On Deck app or by logging into your account and navigating to "My Account", "Members", "Best Times" tab.

Another easy way to find out if your swimmer has qualified is to go to the event, commit to attending the event, and the system shows you which events the swimmer has qualified for.

If you have any questions, please reach out a board member.

Fundraising Fee Due Soon

The Fundraising Fee of \$75 will be billed to each swimmer Feb 1st

Wave families are offered the opportunity to use Scrip and HuTerra to help offset team fees, including fundraising fees. If you are not using these programs but would like more information, you can find the information on our team website under the "Links" tab.
