## WAVE Winter Splashfest

Swim meets have started for Fall/Winter season. Please mark your calendars for the return of our first WAVE hosted swim meet since the pandemic began!

The **WAVE Winter Splashfest** will be held on **January 15 – 16, 2022** at Appleton North High School.

Please mark your calendars not only to swim but to also volunteer. There are volunteer opportunities available **NOW** to help plan the meet, organize raffle baskets, and concessions, and of course there will be opportunities to work the actual day of the meet. Our meets cannot run smoothly without the help of **ALL** of our fantastic WAVE families.

As a reminder each family is required to fulfill their Fall/Winter volunteer hours, or risk the volunteer fine, what better way to volunteer than help at a fun and exciting event?

We would like to start a Splashfest committee **NOW** to start planning this event. We have been hosting a WAVE Splashfest for many years which means we have a lot in place already; however, we are always looking for new and creative ideas to make our swim meets fun for all ages!

If you are interested in being a part of the Splashfest committee, or if you have any questions, such as what is the time commitment and what does the committee do, please reach out to Becky Malcomson [bmalswim@gmail.com](mailto:bmalswim@gmail.com) or Angie Borchardt [angieborchardt@hotmail.com](mailto:angieborchardt@hotmail.com) for more information.

## Good Luck and Welcome Back!

November is a month of change for the WAVE as we **Welcome Back** the High School Girls to Senior level as they end their high school season and return to the team. And we wish the High School Boys **Good Luck** as they head to swim for their high schools.

A general practice schedule is already posted in the calendar, just like during high school girls swim season, Tuesdays may differ depending on the high school boys meet schedule. Please remember to check the general calendar on our website often for any updates.

## Education Corner

Wave families if you have questions about swim meets, swim apparel, equipment, anything swimming related you can reach out to our Education Coordinator Katie Loken [katie.loken@gmail.com](mailto:katie.loken@gmail.com) or Communications Coordinator Angie Borchardt [angieborchardt@hotmail.com](mailto:angieborchardt@hotmail.com) to set up a time to meet.

## Head Coach Search

As you all know, Coach Curt will be retiring at the end of the Fall/Winter season in March 2022. We have put together a group of parents and board members to aide in the search for his replacement.

The Head Coach Search Committee has met several times and has come up with a job description/advertisement, which was approved by the Board. This ad will be distributed through several channels, and we hope to receive an outstanding response.

### ***How to Apply:***

Interested applicants should send a letter of interest describing their coaching philosophy and resume via email to the team President, Becky Malcomson at [bmalswim@gmail.com](mailto:bmalswim@gmail.com). All inquiries and submitted resumes will be confidential. References will be required once the applicant is a finalist for the position. The Fox Valley Wave is an equal opportunity employer.

If you know someone who may be interested in our Head Coach position please feel free to contact Becky Malcomson at [bmalswim@gmail.com](mailto:bmalswim@gmail.com) to get the job description to send to the candidate.

## Swim Meet Snacks

Concessions are often sold at swim meets. There is usually a mix of healthy and unhealthy items. It's great to support our host teams by purchasing concessions; however it's not always easy to choose what to pick, here are some healthy ideas:

- Yogurt
- String Cheese
- Nuts
- Fruit
- Dried Fruit
- Beef Sticks
- Protein Bars
- Hard Boiled Eggs
- Vegetables
- Trail Mix

## Scrip and HuTerra

Wave families are offered the opportunity to use Scrip and HuTerra to help offset team fees, including fundraising fees. If you are not using these programs but would like more information, you can find the information on our team website under the "Links" tab.

## Share Your Photos

We love to have photos to share in our newsletters, on the website and on our Facebook and Insta pages. Please help us by uploading your swimmers photos to our Flickr site.
