

Our team offers scrips to use to buy many of your items you already buy on a weekly basis. All kick-backs from the program are split 75/25 between your family account and the team. It is a win/win program! You can use these for groceries, gas, retail, restaurants, travel and entertainment. The profit adds up quickly and your swimmer could potentially swim for free just because of your gas needs.

This on-line system will allow you to place your order whenever it is convenient. This website will also allow you to create a favorites list as well as keep track of your purchase history and the status of your orders.

Here is an overview of how the system will work:

~Orders must be placed by the Monday that is designated on the general team calendar. This will be done by shopping on the ShopWithScrip website. Payment will need to use the electronic payment system on the website called PrestoPay. See below for how to set up PrestoPay.

~As coordinator, I will receive all of the orders. I will release them on Monday evening to be processed. This will send them to be filled.

~Most orders will have cards sent to me, which will be sorted and delivered to you on the following Monday to your practice site. This is also designated on the general team calendar.

~There are many vendors that offer electronic gift cards as well called ScripNow. These will come directly to you. For these, log into your shopwithscrip account and check your Dashboard and View ScripNow. They can either be printed or you can show the store the egift card on a smart phone.

To get started:

~Go to www.shopwithscrip.com and create an account.

~You will need a code for our account - L2L64A4D224L8.
