Parent Handbook

On behalf of the GBSC, a sincere welcome is extended to all new and returning swim families. We are very pleased to have you consider GBSC as your swim family. You are an important member of the swim team. We want you to be proud of your team, take good care of it and feel free to make suggestions for improving it.

Our coaches enjoy helping your child(ren) learn and seeing them succeed. Our goal is to help them attain many achievements important for your swim success. To make this a reality for you and your child(ren), GBSC is committed to ensuring that they have a positive and safe swim environment. As members of our swim team you share in the responsibility for making our team a safe and enjoyable club where you can attain your goals.

The team handbook will serve as a valuable resource for you and your swimmers to refer to as needed throughout the season. A copy of the handbook can be found on the GBSC web site under the "Member Stuff" Tab. If you do not have access to the internet and need a hardcopy of this document, please let a board member know on the form below.

After reviewing this information you and your swimmer are asked to please sign the bottom of the acknowledgement form in the handbook and return the form to a coach or board member before you enter the pool for swim practice. This will communicate to us that you are eager to make this a successful and rewarding swim season. If you have any questions, comments, or concerns, please contact one of our coaches or board members. We are looking forward to a great swim season.
