

GREATER GREEN BAY YMCA SCRIP FUNDRAISING PROGRAM

How Does Scrip Benefit Me?

Scrip participating retailers agree to sell gift certificates to our organization at a discount. Member families like yours buy the certificates for full face value, they redeem them for full face value, and the difference funds our gymnast's escrow.

Participating in scrip is easy. All you need to do is order the cards online and make payment through our national vendor provider's automatic withdrawal system, PrestoPay. Twice a month, our scrip coordinator releases the order to our various vendors. A week later, the scrip cards arrive and are sorted by our coordinator for pick-up at the Green Bay YMCA.

Once a month, the rebates earned by each family is credited to their gymnast's escrow account. There are fees associated with participation because of the costs associated to ship the scrip cards. These fees are subtracted from our rebate earnings based on the percentage of each family rebate earned for the month and is usually very modest (last year's fees averaged less than 2% of our total earnings).

How do I sign-up for PrestoPay?

Payment MUST be received prior to the time the order is placed. You will need to pay using the online PrestoPay automatic withdrawal service to limit the amount of money that needs to be manually handled.

For those of you who would like a more in depth understanding of how PrestoPay works, there is a video tutorial available under the PrestoPay link when logged into your shopwithscrip.com account.

If you previously set up a PrestoPay account, you will need to forward the 4-digit approval code to Robin, robin.schmit@greenbayymca.org, so she may activate you in the YMCA account. If you sent your approval code to the digital abyss, you can request that the code be resent to you when in the shopwithscrip.com system.

If you are new to PrestoPay:

1. Sign-up by registering your checking account information online
2. Within a few days, 2 small deposits will be made
3. When you have the amount of the deposits, revisit PrestoPay and enter the two amounts
4. After entered, a 4-digit approval code is sent to your email account on record on shopwithscrip.com. You MUST forward this code to Robin to authorize payment into the YMCA account. This is important, as your account will not be active until this is done. Once the code is entered, you can use PrestoPay for all of your scrip ordering.

The biggest advantage to using PrestoPay is, ScripNow! and reloads will be paid for immediately and available for use either immediately for ScripNow! and ReloadNow! by 10 AM CST for Reloads.

How do I know when to order & when to pick up?

Order and pick-up dates will be on the Gymstar's Calendar – you can go online and place your order at ANYTIME – but know that the order isn't processed until the coordinator pulls the info and submits it to be processed. This pull usually takes place on the 1st and 3rd Sunday of each month at 7 PM unless otherwise noted because of other conflicts.

Orders will be ready for pick-up beginning 8 days after the Sunday order. Order pick-up is scheduled for Mondays 4-7pm and Thursdays 4-7 pm... other arrangements can be made with Robin, just email her - robin.schmit@greenbayymca.org.

There will be times that items will be on back order and patience and understanding will be required as all scrip programs are run by volunteers that have limitations when trying to deliver product.

- National scrip is ordered through GLS. I have only experienced a back order once with the national orders but that does not mean it can't happen. The national vendor is the provider of the shopwithscrip.com site and their products do not have "Local" or "Direct at the end."
- Local scrip is ordered from a not for profit program in the Green Bay area. There are often back orders associated with the Local program so their arrival is not as reliable as the national orders. You can tell which scrip is ordered through our Local vendor as it will have "Local" at the end of the description.
- Direct scrip is ordered from the vendor itself or in conjunction with another scrip program to maximize rebate profits – Grand Central is one of these.
- ScripNow is ordered through GLS and is delivered electronically after payment. It usually only takes a few minutes for the order to become available for use. Check your email for confirmation that your ScripNow is complete.
- Reload funds available on your plastic card by 10:00 AM CST the following day, for Reload products submitted by 2:30 PM CST Monday through Friday, excluding holidays.
- ReloadNow funds available on your plastic card in minutes. Check your email for confirmation that your ReloadNow is complete.
