

WARNING AREAS – ADULT RUN

- There is a small tree DOWN that crosses the path, before the boardwalk (marked with an X).
- On the boardwalk, there are some lower branches (look out taller people!)
- When running downhill, in the new section, WATCH YOUR FOOTING (it's uneven and rough.)

Adult Run Course:

Follow the black and light colored arrows. They go along the cross country trails. The light colored arrows are the revised portion of the route.

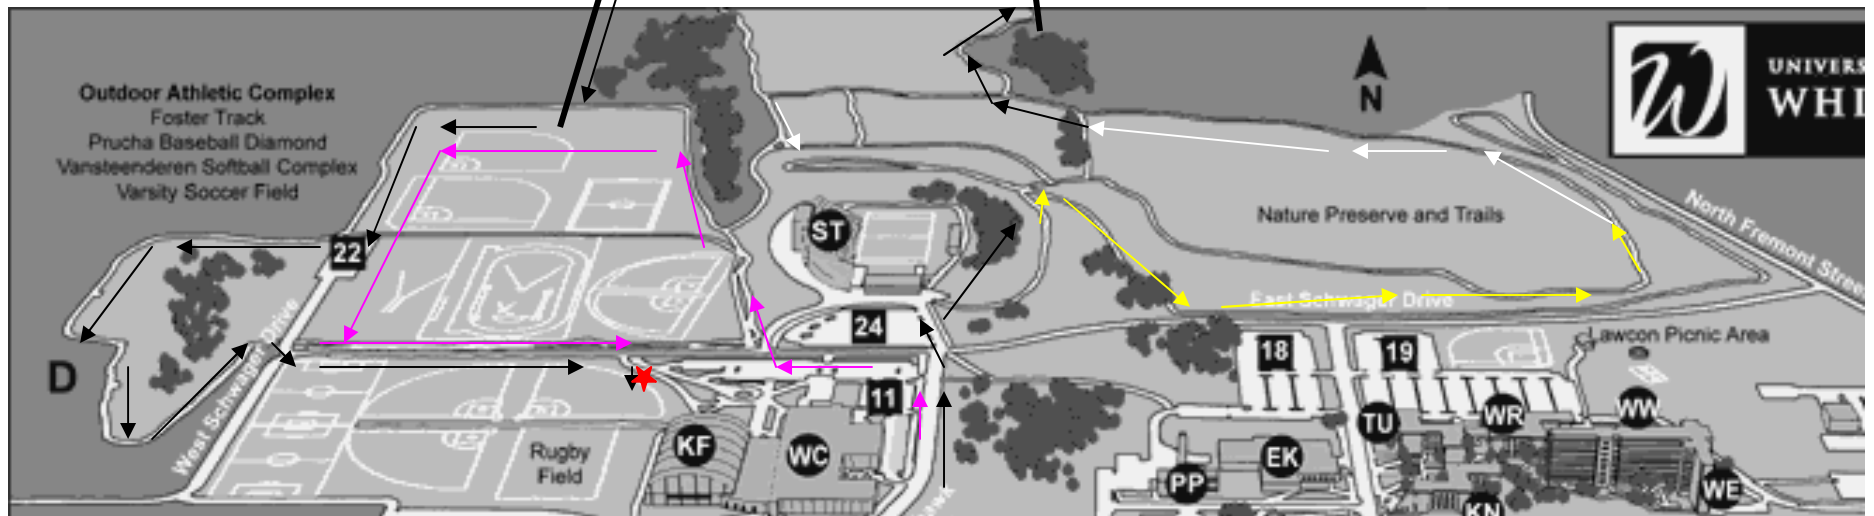

★ The finish.

Child Run Course:

Follow the sidewalk up to the athletic field, then run around it.

★ The finish.

RAPTOR RACERS - Once you come out of the hilly area (22 on the map), stay on the UWW track side of the street and run back toward the football stadium (24 on the map). At the intersection of Warhawk Drive and Schwager, turn left, and head back onto the original run course. Next time you come to the bottom of the hilly area, you'll cross the street, then head up to the finish line.
