

# J-HAWK FAMILY REQUIREMENTS (2021-2022 Season)

Updated December 2, 2021

Fundraising is a necessity for our team to survive. The monthly fees do not cover the facility rentals and payroll expenses that it costs us to run. Therefore, we must fundraise to make that difference up. It looks like a lot, but you only work certain events, not all.

There are 2 types of required fundraisers: **EVENT fundraising** and **SALES/PROFIT** fundraising.

Event Name	Family Requirement - 1 Adult Per Family
<b>Winter Thaw Swim Meet</b> Fri-Sun, January 7 <sup>th</sup> -9 <sup>th</sup> UW-Whitewater	Work if your child is swimming. Families are assigned positions.
<b>8&amp;Under All Star Meet</b> Sunday, February 6 <sup>th</sup> Whitewater Aquatic Center done by 1pm	<b>FAMILIES ARE ASSIGNED POSITIONS</b>

## SALES/PROFIT FUNDRAISERS

All families have a required amount of **PROFIT** they must raise throughout the season. You can always buyout, but it's very easy to earn the profit listed below.

Gift Card Program (orders are placed every 2 weeks – mobile app available 24/7)

Heat Sheet or Website Advertising (100% profit earned):

¼ page ad = \$25, ½ page ad = \$50, full page ad = \$100

## **SALES/PROFIT REQUIREMENT AMOUNTS/FAMILY**

**Based on highest level in your family**

Mini-Hawks = \$150\* of profit

Advanced 12&Unders (Juniors) = \$210\* of profit

*\*pro-rated based upon start date*

13&Over = \$270 of profit (full season)

HS Boy (ending in Nov): \$90

HS Girl (starting Nov/Dec): \$180

## **VOLUNTEER EVENT BUYOUT OPTION**

If you would rather pay, than work events, you can.

Listed below are the buyout options:

### Swim Meet Events:

\$50/missed session

(only if your child is competing in the meet  
or the 8&Under All-Star Meet)

### High School Age Swimmers:

These athletes set the example for the younger swimmers.

They will be scheduled to work all events.

They are required to work, if aiming for the Booster Club Scholarship, when they graduate.
