

Meet Photography

I am looking forward to photographing the upcoming State Swim Meets. I have shot many of the recent state swim meets the past three years and I think I have a system that works well for swim families.

If you would like for me to photograph your athlete, you will need to sign up at the meet, and this will be a first come, first serve basis. From my experience in shooting state swim meets, I found that photographing only one swimmer per heat works best. I will be at the pool before every warm up begins for the sign-up process, and I will stay until about 30 minutes before each session begins. To reserve the specific heat and lane photos for your athlete, there will be a charge of \$30 (cash only) for the first swim and \$10 for each additional swim (all relays will be \$30.00 each). **Included in that price you will receive a coupon for the amount you have paid**, to be applied to your account and order (I fill in the credit after you place the order). Essentially, you will get the pre-photography fee right back when you place even a small order.

The cost for a 4x6 print is \$5.00, 5x7 prints are \$10.00 and an 8x10 print is \$20. There is also a large selection of additional types of photo formats on the website to choose from.

I will try to take images for all awards (no charge), so if you did not sign up for photos, but have an interest in purchasing an award photo, please contact me after the meet so I can give you the password that allows you to view and purchase images.

Please contact me with any questions at dhd@tds.net at least one day before the meet starts. I will not have much time during the meet to answer questions via email.
