

Cambridge Community Pool  
802 W Water St, Cambridge, WI 53523

Reminders:

The rental time listed on your rental agreement is the time you are allowed to be in the facility... not your 'in-water' time.

Masks must be worn in the building and on the deck at all times by all individuals

Water fountain is available for refill purposes only

Spectators are not permitted in the facility. Please ask your parents/extra folks/athletes waiting to start practice to wait outside or arrive a smidge later.

Locker rooms are available for rinsing off prior to swimming and a 'quick' shower after swimming.

Lockers are not available - please leave all belongings on the bleachers on a designated 'x'

Swimmers should come 'swim ready' when possible to limit locker room use as much as possible.

All individuals entering the facility are asked to sanitize hands upon entering

We will try our best to have the pool set up/configured to fit your needs (ie lanes in/lanes out) but please,

if we need to make adjustments or changes let us know and be kind to our high school and college staff - They are doing their best.
