

## **Little Strokes Academy**

Requests that if you are the first group of the day, your swimmer should enter the building 5 minutes before their start time. This will give their swimming lessons families time to exit.

After practice, please make sure you are waiting for your swimmer at the ending time of practice. Since traditional locker rooms time is not available to us and gathering limits are in place, swimmers are whisked out of practice immediately when it is scheduled to end to make room for the next group. Especially with the colder weather coming, we want everyone to have a warm car ready to enter when practice is over.
