

YMCA Policies (West, East and Sun Prairie)

At East, the first groups of the day should arrive 5-10 minutes early to check in. Coaches will wait for swimmers and enter the pool through the main doors (not through the locker rooms). All of the remaining groups should enter through the side doors and coaches will take temperatures upon entering.

At West, their policy has been updated to have all swimmers enter through the side pool doors even the first group of the day.

Swimmers must maintain a 6 ft distance at all times.

Masks need to be worn at all times in the building and pool area until swimmers enter the water.

Locker rooms are unavailable at the Y's for showering.
