

The Waterlog *April 2013*

Coach's Report:

Welcome Back Everyone!!!

We had a great first week back, it looked as if the clinic was extremely helpful to all the kids who participated.

Just a few reminders as we get things rolling again for our spring session. It is very important that all the kids are bringing water bottles to practice; it is crucial that the kids are staying hydrated especially with the warm weather approaching. Also if you are in Gold Novice or higher you need to be bringing your snorkel to practice everyday. We know the snorkels aren't the kids favorite but they are extremely helpful in correcting technique.

After only 1 week in the pool this season looks to be very promising and I am very excited to get things going.

Hope everyone enjoyed their break!

Presidents Note:

Hi Everyone -

If any of you are interested in volunteering for a board position, please e-mail me at rdjaws@gmail.com. We have a number of positions that will become vacant this August as some of our current member's two year terms are up and I would love to have all of them filled by then. Those positions include: Treasurer, Secretary, President and Fundraising. Being a part of the Board is a great way to support our amazing club and we have plenty of fun doing it. If you have any questions or would like additional details, please let me know.

Thanks very much!
