

Hello Families,

I am writing this email to correct a misprint in the Waterlog. Under the heading of Fundraising Fees, there is a section that says,

If your child registers mid-session, the fundraising fee will be determined as follows:

of weeks remaining in the session \div \$100 = \$\$ fundraising fee due

That equation is not correct and it should be:

\$100 \div # of weeks in the season = \$\$ fundraising weekly fee
(i.e. \$100 \div 26 weeks of Short Course = \$4), then # of weeks left in the season x the weekly fee = \$\$ fundraising fee due (i.e. If there are 5 weeks left in the season when the swimmer joins then, 5 weeks x \$4 = \$20 fundraising fee due).

If there are any questions on this change, please feel free to contact Amy DeGrace at wdegrace@wi.rr.com

Thanks,
Amy
